

Halal Entrée Protein Program  
Haverford College Dining Center  
Posted 11.01.2022

Starting in the fall semester of 2022, the Haverford College Dining Center will provide single serving halal protein entrees to observant Muslim student upon request.

The entrée is available at no extra charge to all observant Muslim students who are on the meal plan, seven days a week, any day that the Dining Center is open, as long as they are available through Haverford's various food suppliers.

Haverford will seek to provide as wide a variety of halal options as possible and the specific options may vary according to availability.

The entrée must be ordered using this [on-line order form](#).

- Orders must be individually placed for each different meal.
- The request must be received by the Dining Center at least 24 hours prior to the date and time selected for pickup (for example before 5pm on a Sunday for pick up after 5pm that Monday.)
- The pickup time is selected by the student and must fall within the DC's regular hours of operation.
- The order can be picked up from the hot food service line.
- Students may place multiple orders as many days in advance as they would like, but a separate order must be placed for each meal to ensure accurate processing by the DC staff.
- The College asks that students not place orders until you are sure that they will be able to pick them up at the time specified.
