Bi-Co Executive Director of Campus Safety

MISSION STATEMENT

Haverford College is dedicated to keeping the campus a secure and healthy place to live, work, and study.

The mission of the Department of Campus Safety is to provide a caring, safe, and welcoming environment for the college community and to enhance the well-being of students, faculty, staff, and visitors, and to protect college property.

The success of this mission depends upon a true partnership between Campus Safety personnel and the diverse population of the college community—a partnership built on mutual respect, trust, and responsibility that encourages a sense of communal concern for each other's safety and well-being.

PREPARATION OF THE ANNUAL SECURITY REPORT AND DISCLOSURE OF CRIME STATISTICS

The Campus Safety Department prepares this report based on information maintained in its records, as well as information collected from the Haverford Police Department (HTPD), the Lower Merion Police Department (LMPD) and various individuals and departments at the College including: the Title IX Coordinator, the Dean's Office, the Center for Gender Resources and Sexual Education (GRASE), the Student Health Center and the Campus Security Authorities (CSAs). For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported.

All statistics are gathered, compiled, and reported to the college community in the Annual Security Report and Annual Fire Safety Report, which is published annually by the Campus Safety Department. The Campus Safety Department submits the annual crime statistics published in this report to the Department of Education (DOE). The statistical information gathered by the Department of Education is available to the public through the DOE website.

ABOUT HAVERFORD COLLEGE

Haverford College is a community of more than 1,400 residents, located on 200 acres in a residential suburb of Philadelphia with a combined population of more than 50,000 residents. **Haverford College has no officially recognized student organizations with non-campus locations.** As part of that larger community, the College shares many of the same interests and problems, including concern about crime. Haverford has experienced minimal problems to date with crime on campus. Life on any college campus however, is subject to some of the same risks and problems as life elsewhere.

Many parents are concerned about the safety on a college campus away from home. Haverford College understands that concern and accepts its responsibility to employ security measures to ensure that our students enjoy their time at Haverford as free as possible from threats to their safety or well-being. Haverford College is dedicated to keeping the campus a secure and healthy place to live, work, and study. In recent years, many positive steps have been taken to enhance safety, including initiating a Bicycle Patrol, improving lighting on campus, conducting a RAD (Rape Aggression Defense) training course, and increasing the number of CCTV cameras (there are a total of 45 CCTV cameras strategically located on campus), card access locations, and emergency telephones. Additional initiatives include the use of computer-aided Dispatch and a Records Management System. We also utilize an enhanced Emergency Notification System (including audible alert, e-mail, text, and phone messaging). The Department of

Campus Safety has a website as well a weather hotline (haverford.edu/campus-safety; (610) 896-4299).

This document is designed to assist you in maintaining a safe environment for yourself and your property. We want you to become familiar with the College community, to understand the security policies and procedures that help promote safety and respect for others on the Haverford College campus, and to take appropriate precautions to minimize risk.

THE CAMPUS SAFETY DEPARTMENT

The department provides 24-hour, 7-day-a-week service and protection for the College community. The department is comprised of one Bi-Co Executive Director, one Bi-Co Associate Director, one Safety Coordinator (Assistant Director), one Bi-Co Associate Director for Investigations, one Captain, one Lieutenant, three Sergeants, two Corporals, nine Security Officers, six part time/on call Security Officers, and a Security Systems Administrator.

All department personnel regularly attend mandatory in service training programs aimed at maintaining and updating their skills and knowledge of new laws and regulations. All members of the department receive training in First Aid, Cardiopulmonary Resuscitation (CPR), and use of Automated External Defibrillators (AEDs). Additionally, Campus Safety staff provides transportation to the health services or to the Bryn Mawr Hospital when Haverford's medical facilities are closed.

Haverford Campus Safety officers are non-sworn and are not authorized to make arrests. The Campus Safety Department's jurisdiction is limited to the property under the control of Haverford College. The Campus Safety Department maintains an excellent working relationship with the Haverford Township and Lower Merion Township Police Departments (although we do not have a written Memorandum of Understanding with either department).

The Campus Safety Department reports directly to the Senior Vice President for Finance and Administration, and works closely with the Dean's Office, Student Life, Residential Life, Health Services, Facilities, and Counseling and Psychological Services.

The Campus Safety Department makes every effort to prevent crime, provides highly visible security patrols, and responds quickly to the needs of individuals on campus and of the College community as a whole. Crimes involving violence and major property loss are reported immediately by the department to the appropriate township or state agencies. Crime statistics are compiled according to Pennsylvania State Police requirements, using the FBI's Uniform Crime Reporting methods.

REPORTING CRIMES ON CAMPUS

Students, faculty, staff, and guests are encouraged to report all crimes and campus safety related incidents to the Campus Safety Department in a timely manner. An officer will be dispatched immediately to each complaint and will evaluate the incident, take appropriate action, and notify the necessary authorities. There are 50 emergency telephones at various locations throughout the campus for this purpose. Each provides an instant link with the department, no dialing is required and the dispatcher knows immediately where the call is coming from. An officer is always dispatched, even if no words are spoken. Reports can also be made by calling (610) 896-1111. Dispatchers are available at this number 24-hours a day to answer your call. A report will be taken even if the caller does not give their name and follow-up will be conducted.

Although we encourage the accurate and prompt reporting of all crimes directly to Campus Safety when the victim of a crime elects to or is unable to make such a report, in some instances members of the campus community may choose to file a report with one of the other Campus Security Authorities (CSAs). Reports can also be filed with the Haverford Police Department and/or the Lower Merion Police Department.

Allegations of campus crime that you are aware of and that you conclude were made in good faith must be reported to Campus Safety. "In good faith" means that there is a reasonable basis for reporting a suspected crime.

ANONYMOUS REPORTS

An individual may make a report of Sexual Misconduct without disclosing one's name using the **Haverford Online Reporting Form**.

Depending on the level of information available about the incident or the individuals involved, the College's ability to respond to an anonymous report may be limited. The College will, however, take whatever steps it deems appropriate and in the best interest of the overall College community, consistent with the information available. The College will never refuse to respond on the grounds that a report was made anonymously.

Information collected through the anonymous reporting line will be shared only with necessary College officials in order to respond to the reported concern. Information is kept confidential and no personally identifiable information is shared, except as necessary to follow this Policy, without the reporting party's consent.

SECURITY OF AND ACCESS TO CAMPUS FACILITIES

Officers of the Campus Safety Department are responsible for locking and unlocking campus buildings according to the scheduled use of these buildings during the academic year, as well as for special events. The implementation of a card access system (and propped door alarms) has upgraded the monitoring capability and increased security. Employees' access to the institution's facilities is on an "as-needed" basis and incorporates strict card access programming and key control procedures. Visitors to the campus seeking access to Haverford's buildings and facilities for special events must do so through an individual host, the sponsoring department, Campus Safety, or the Scheduling and Events Office. Students are admitted to public events on campus by displaying their College identification cards.

There are 38 residence halls on campus. All resident areas are locked 24 hours a day and have access control. Buildings that contain classrooms, offices and dining centers are opened and locked in accordance with a schedule. Visitors to the campus can enter most academic buildings during normal business hours from 8 a.m. to 5 p.m. Monday through Friday.

Access to housing facilities is limited to those with authorization. Resident students have card-access to their residence halls and keys to their individual rooms. Guests of a resident must be accompanied by the resident. Campus Safety will investigate all unauthorized persons on campus.

Over extended breaks, the doors to residences and most academic space will be secured around the clock. Some facilities may have individual hours, which may vary at different times of the year. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility.

The staff of the Facilities Management Department maintains Haverford's buildings and grounds with an eye toward safety and security concerns. Standard operating procedures include the regular inspection of all outdoors lighting systems and prompt repairs to any faulty equipment or locks that could affect the safety of the College community. The Facilities staff is available, through an on call system, for emergencies that occur outside regular working hours.

The Campus Safety Department cooperates with the staff of Facilities Management by reporting potential safety hazards such as broken windows, defective locks, or burned out lights to Facilities personnel.

CRIME LOG

The Haverford College Campus Safety Department maintains a daily crime log that contains specified information about any and all crimes that occur within the patrol jurisdiction of the Campus Safety Department and that are reported to Campus Safety. The daily crime log can be viewed at the Campus Safety Department which is located on the ground floor of the Gardner Integrated Athletic Center (GIAC) at Haverford College.

Certain information may be withheld from the crime log under specified circumstances, primarily information that would jeopardize the success of an investigation or the safety of a person involved in the investigation. The Campus Safety Department makes the crime log for the most recent 60-day period open to public inspection during normal business hours, while crime logs containing material more than 60 days old are retained for seven years for public inspection upon two days' notice.

MISSING STUDENTS

If a member of the College community has reason to believe that a student residing in on-campus housing is missing, contact Campus Safety immediately at (610) 896-1111. Campus Safety will generate a missing person report and initiate an investigation.

After investigating the missing person report, should Campus Safety determine that the student is missing and has been missing for 24 hours (or sooner if circumstances warrant it), Haverford College will notify the Haverford Police Department and/or the Lower Merion Police Department. A Dean will notify the student's emergency contact no later than 24 hours after the student is determined to be missing.

If the missing student is under the age of 18 and not emancipated, a Dean will notify the student's custodial parent or guardian and the confidential contact person (if the student has identified one) immediately after Campus Safety has determined that the student has been missing for 24 hours.

In addition to registering an emergency contact, students have the option annually to register a confidential contact person to be notified if the student is determined to be missing for 24 hours. Only authorized campus officials and law enforcement officials in furtherance of a missing person investigation may have access to this information. To register a confidential contact person, visit the Student Center link in BIONIC (<https://vbm.brynmawr.edu>).

SEX OFFENDER REGISTRY AND ACCESS TO RELATED INFORMATION

The federal Campus Sex Crimes Prevention Act went into effect in October of 2002. The law requires institutions of higher education to issue a statement advising the campus community where state law enforcement agency information concerning registered sex offenders may be obtained. It also requires registered sex offenders to provide notice to the state as to whether the person is a student, or works at an institution of higher education, identify each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student, and must also alert the state of any change in enrollment or employment status.

Pennsylvania's Megan's Law requires the State Police to establish and maintain a registry of individuals who have either been convicted of, entered a plea of guilty to, or were adjudicated delinquent of certain sex offenses. Additionally, the Pennsylvania State Police is required to make certain information on registered sex offenders available to the public through a website.

Information regarding registered sex offenders may be obtained from the following website:
<http://www.pameganslaw.state.pa.us/>

CAMPUS EMERGENCY NOTIFICATION SYSTEM

Emergency Procedures and Guidelines are outlined below and follow the Incident Command System model in the event of a critical incident on campus.

The Haverford College Emergency Notification System allows the College to contact the community in the event of an emergency by sending messages via:

- 1) Text message
- 2) Voice message (mobile or land-line)
- 3) E-mail
- 4) Audible siren and loudspeaker

When an emergency occurs that requires community attention or action, the emergency notification system will be activated and you will be notified by the methods noted above using the personal information you have provided. The emergency notification system will continue to try to reach you until you confirm receipt of the message.

It is imperative that contact information is accurate and up to date in order for you to receive emergency notifications. (It can be accessed and updated at: <https://www.haverford.edu/campus-safety/safety-information>)

It is Haverford College's policy to provide timely and accurate information to the community in the event of an incident that puts the community at continuing risk.

The emergency notification system will be tested once a semester. Additional testing may be conducted as part of drills and exercises, or as necessary.

OVERVIEW

Haverford's approach to situations that have had a significant impact on an individual member or the entire campus community has succeeded over the years because of the dedication and conscientiousness of various members of the College community. However, our response to crises, while typically "Haverford", could previously be described as ad hoc and de-centralized.

Society's current climate, characterized by instantaneous communication and a litigious atmosphere, requires a quick and effective coordinated response to crises/emergencies on campus. In response, the Haverford Emergency Response Team (HERT) was developed. The formation of this response group emphasizes centralized crisis management, coordination with critical campus offices and services both at Haverford and Bryn Mawr Colleges, effective and timely communication with constituencies on and off campus, and the enhanced use of available technology to facilitate successful response to emergent situations.

NOTIFICATION PROCESS SCENARIO

Although there is no one 'typical' response since there is much potential in the variety of types of incidents that the Haverford Emergency Response Team (HERT) will respond to, there is a general template of response to a critical incident. Some examples of the kinds of incidents/events include hostile intruders or other criminal acts, hazardous materials incidents and lab accidents, disasters such as fires, storms, and more slowly unfolding events such as prevention measures for potential disease outbreaks.

Initial notifications to the entire campus community (students, staff and faculty) will be made electronically via the Everbridge notification system (e-mail, text and phone calls) as well as the audible alert (siren and voiceover) without delay—initiated by the Dispatcher upon confirmation of an event. (Campus Safety as well as the Haverford and Lower Merion police departments would be responding to confirm the incident and mitigate the threat).

The initial message options are preset and will say either;

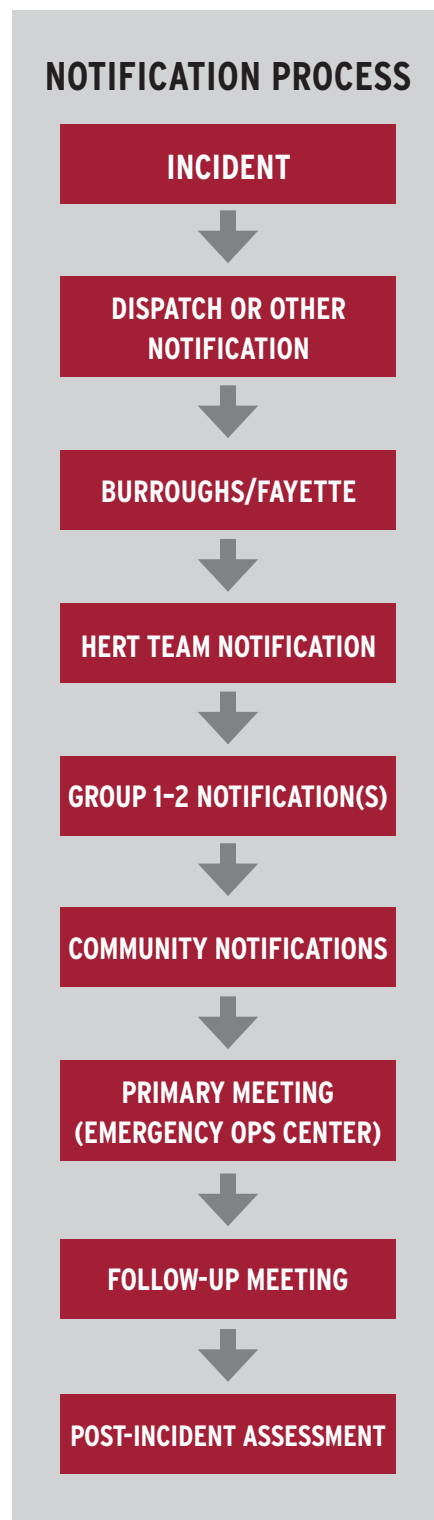

1. There is an Active Shooter on campus. Move to a safe place or seek shelter and await further updates...
2. There is a serious incident on campus. There is no immediate threat to safety, but await further updates...

Updates would be made as additional information becomes available by members of the HERT Command Team (Executive Director for Campus Safety, The Bi-College Director of Operations, the Safety Officer, the Captain, the Lieutenant, or the Security Systems Administrator). Notifications to the larger community—including parents—will be made through the Communications Office. Once the decision is made to involve other members of the response team, notification/communication could be facilitated using subgroups that already exist in our electronic notification system as well as the Zipbridge Conference Call capability—enabling us to push out a conference call to HERT Team members with one call.

Subgroups in the notification system include the Haverford Emergency Response Team (including the HERT Command group, as well as Group 1 and Group 2 notifications. In addition, the dispatching Campus Safety officer has access to the contact information of other members of the community if it is determined that they need to be notified and/or respond. (All members of the Emergency Response Team have this contact information as well.)

Determination of who might respond to the scene of an incident, to the hospital, to a police station, etc. would be made electronically (via conference call and text) and the other members of the team would typically proceed to one of the identified Emergency Operations Centers.

The members of the Haverford Emergency Response Team have been trained in ICS (Incident Command System) and the basics of this nationally standardized management approach will be employed. An Incident Commander will be the responder (not necessarily the HERT team member; police, fire, etc.) who takes control at the scene of an incident as it unfolds. While we recognize that Senior Staff is in charge of the campus and will be overseeing management of the impact of the incident on and off campus, the Incident Commander will be in charge of the incident scene itself.

In this way, a clear chain of command will be established, prompt and more efficient communication will take place, and integration of the necessary responders will be more efficient.

RESPONSE EXAMPLE

Haverford Campus Safety Dispatch receives several calls that there is an active shooting on campus. Police are notified immediately, and Campus Safety is alerted to respond. An emergency notification is sent to the campus community electronically via Everbridge—sending text, e-mail, and voicemail stating, **“There is an Active Shooter on campus. Move to a safe place or seek shelter and await further information.”** Our audible alert system is activated—producing a loud siren. The HERT Command Team is notified and a conference call is generated simultaneously utilizing the Zipbridge conference call service. The first Command Team member to respond instructs the dispatcher to notify the entire HERT team electronically with an overview message.

Once the threat is neutralized, the Emergency Operations Center will be activated.

In this scenario, all members of Group 1 and many of the members of Group 2 would be made. Group 2 includes the President, the Assistant Vice President for Communications, the Dean of the College, the Senior Vice President for Finance and Chief Administrative Officer, the Director of Facilities Management, and the Director of Residential Life would be notified as well. Some of those above would be asked to meet

in the EOC. Depending on information received from the scene, additional notifications (parents, for example) will be made and the website would be updated by Communications. **Update messages to the community would take place frequently.**

In addition to annual tabletops, the Emergency Notification System is tested once a semester for the entire community. The results of the tests are evaluated and analyzed.

TIMELY WARNINGS

The purpose of this policy is to outline procedures that Haverford College will use to issue Timely Warnings in compliance with the Clery Act.

The College will issue a Timely Warning Notice in the event that it receives notice of an alleged Clery Crime occurring on campus, on public property within or immediately adjacent to the campus, or in or on non-campus buildings or property controlled by the College, where the College determines, in its judgment, that the allegations present a serious or continuing threat to the College community. For purposes of this policy, “timely” means as soon as reasonably practical after an incident has been reported to the Department of Campus Safety or the Campus Security Authorities identified by Haverford College, or local police agencies that have concurrent jurisdiction have reported the information to the College. The Bi-Co Executive Director of Campus Safety is ultimately responsible for determining whether to issue a Timely Warning Notice, although they will typically consult with the Bi-Co Associate Director of Campus Safety, the Associate Director for Investigations and the Dean of the College. The Bi-Co Executive Director of Campus Safety or the Bi-Co Associate Director of Campus Safety will issue the Timely Warning Notice. If they are unavailable, the Timely Warning Notice may be issued by the Associate Director for Investigations or the Dean of the College.

Whether to issue a Timely Warning Notice is determined on a case- by- case basis for Clery Act crimes and hate crimes as defined by the Clery Act (*). The Director of Campus Safety or designees may also issue a Timely Warning Notice for other crimes, if determined necessary.

In determining whether to issue a Timely Warning Notice, the College will consider any factors reflecting on whether the alleged crime represents a serious or continuing threat to the College community, including, but not limited to, (a) the nature of the incident; (b) when and where the incident occurred; (c) when it was reported; (d) the continuing danger to the campus community; and (e) the amount of information known by the Department of Campus Safety.

The Bi-Co Executive Director of Campus Safety will make efforts to consult with the Bi-Co Associate Director of Campus Safety, the Associate Director for Investigations and the Dean of the College in making the decision, if they are available, to develop the content of the Timely Warning Notice. Time permitting, additional input may be garnered from additional members of the Emergency Response Team, including the Senior Vice President for Finance and Administration. The College’s Title IX Coordinator may also be consulted in appropriate situations.

The reason why the College does or does not issue a Timely Warning Notice for any Clery Crime reported to the College will be documented on the Timely Warning Determination Form and maintained by the Department of Campus Safety for a minimum of seven years. A copy of the documentation will be attached to the incident report.

The Timely Warning Notice will include, to the extent known, the date, time and nature of the offense, a brief overview of its particular circumstances, a physical description of the actor(s), law enforcement’s immediate actions, a request and method for witnesses to contact law enforcement, and where applicable and appropriate, cautionary advice that would promote safety. In developing the content of the Timely Warning Notice, the College will take all reasonable efforts not to compromise ongoing law enforcement efforts. The “timely warning” withholds the names of victims as confidential and will aid in the prevention of similar occurrences.

The College distributes Timely Warning Notices in various ways. Once the College determines that an alert will be issued, the Department of Campus Safety e-mails the announcement and may post it on its website haverford.edu/campus-safety, and may post alerts on bulletin boards throughout campus. The College may also send text messages disseminating the notice to those who register their cell phone numbers.

(*) *A hate crime is defined as: “A crime reported to local police agencies or to a campus security authority that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias against the victim. FEDERAL CLERY ACT DEFINITIONS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

Haverford College prohibits the offenses of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the college community. Toward that end, Haverford College issues this statement of policy to inform the campus community of our programs to address domestic violence, dating violence, sexual assault and stalking as well as the procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking, which will be followed regardless of whether the incident occurs on or off campus when it is reported to a College official.

PROCEDURES TO FOLLOW FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

Survivors/victims of sexual assault, domestic violence, dating violence or stalking are encouraged to seek medical attention as soon as possible. Medical evidence can only be collected at a hospital and is of crucial value if a survivor/victim decides to prosecute in the criminal justice system or may be helpful in obtaining a protection order. If a survivor/victim chooses to have a forensic exam at a hospital, they should not shower, bathe, brush teeth, douche, smoke, or change clothes. Evidence should be collected as close to the assault as possible, usually within 24–72 hours, although forensic evidence can be collected up to 96 hours after an assault occurred. Survivors/victims should not clean the bed/linen area where they were assaulted and are also encouraged to preserve text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, they nevertheless should consider speaking with Campus Safety or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

RIGHTS OF VICTIMS

Haverford College complies with the Pennsylvania Protection from Abuse Act, which is the law in Pennsylvania recognizing Protection From Abuse (PFA) cases. Delaware County and Montgomery County, where Haverford College is located is where you can obtain a PFA or to take your State protection from abuse order to add Haverford College, Haverford Township or Lower Merion Township to the order. Subsequently, by updating your existing protection from abuse or no contact order it can be shared with Campus Safety, the Title IX Coordinator and the Police Department. A complainant may then meet with Campus Safety to develop a Safety Action Plan, which is a plan for campus safety and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, changing classroom location, etc. The College cannot

apply for a legal PFA for a victim, but can issue a No-Contact Order. No-contact orders against members of the Haverford Community can be obtained through the Campus Safety Department, the Title IX Coordinator or the Dean of the College.

ASSISTANCE FOR VICTIMS: RIGHTS AND OPTIONS

Regardless of whether a victim chooses to report the crime to campus safety or local law enforcement, or whether the offense is alleged to have occurred on or off campus, the College will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with an explanation of their rights and options. Such information will include:

- the procedures victims should follow if a crime of dating violence, domestic violence, sexual assault or stalking has occurred;
- information about how the College will protect the confidentiality of victims and other necessary parties;
- a statement that the College will provide written notification to students and employees about victim services (counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid) within the institution and in the community;
- a statement regarding the College's provisions about options for, available assistance in, and how to request accommodations and protective measures (academic situations, living situations, transportation situations, working situations, protective measures); and
- an explanation of the procedures for the College's disciplinary action

All proceedings will include a prompt, fair, and impartial process from the initial investigation to the final result/outcome. The proceedings, better known as the Dean's Panel, will be conducted by officials who receive annual training on issues related to dating violence, domestic violence, sexual assault, and stalking and annual training on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

HOW TO BE AN ACTIVE BYSTANDER

Bystanders play a critical role in the prevention of sexual and relationship violence. They are "individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it."¹ We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list² of some ways to be an active bystander. If you or someone

else is in immediate danger, dial (610) 896-1111 for Campus Safety or dial 911 while off campus. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, and try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

RISK REDUCTION

The following information will be helpful to all Haverford College students as they confront issues of sexual assault:

- It is never acceptable to use force in sexual situations, no matter what the circumstances.
- Sexual assault can happen between persons of any sexual orientation or gender identity.
- If a person says "no" to sexual contact, believe them and stop!
- Communicate your limits firmly and directly. Back up your words with a firm tone of voice and clear body language.
- Don't make any assumptions about a person's behavior.
- Don't automatically assume that someone wants to have sex just because they drink heavily, dress in a certain way, or agree to go back to your room.
- Don't assume that because a person has had sexual contact with you previously that they are willing to or will consent to having sex with you again.
- Everyone should be especially careful in situations involving the use of alcohol and other drugs. Alcohol and other drugs can interfere with one's ability to assess situations and to communicate effectively.
- All students should beware that having sexual contact with someone who is mentally incapable of giving consent is sexual assault. If you have sex with a person

¹ Burn, S.M. (2009). A situational model of sexual assault prevention through bystander intervention. *Sex Roles*, 60, 779-792.

² Bystander intervention strategies adapted from Stanford University's Office of Sexual Assault & Relationship Abuse

who is drugged, intoxicated, “sleeping” or passed out, incapable of saying “yes” or “no” or unaware what is happening to them, then you may have committed a sexual assault.

- Please be especially careful in group situations. Be prepared to resist pressure from friends to participate in violent or criminal activities.
- Please get involved if you believe that someone else may be at risk for assault. If you see a person “in trouble” at a party or another person using force or coercion do not be afraid to ask questions and or intervene. You may save someone from the trauma of sexual assault and or from the ordeal of criminal prosecution.
- If you feel uncomfortable or think you may be at risk, leave the situation immediately and go to a safe place.
- Don't be afraid to “make waves” if you feel threatened. If you feel you are being pressured or coerced into sexual activity against your will, don't hesitate to state your feelings in order to get out of the situation. Better a few minutes of social awkwardness and embarrassment than the trauma of sexual assault.
- Voluntary consent cannot be given if a person is incapacitated, including incapacitated by alcohol. (Alcohol is a factor in a very high percentage of sexual assaults).

SURVIVOR'S BILL OF RIGHTS

If you experience sexual misconduct, you have basic rights and considerations, including but not limited to:

- Have any allegations of sexual misconduct taken seriously – free from any suggestion that survivors are responsible for the misconduct.
- Be treated with respect and dignity, regardless of gender, gender identity, race, age, income level, physical abilities, cognitive abilities, or sexual, medical and mental health history.
- Have timely access to emergency and crisis counseling services.
- Be accompanied by an advocate while receiving victim services.
- Be informed of legal rights and available resources.
- Be informed of safety planning and protection services.
- Be informed of appropriate follow-up treatment, medical testing and counseling.
- Be notified of options for and assistance with changing academic and/or living situations if so requested and if such changes are reasonably available.

- Have the College conduct a prompt and thorough investigation of the complaint, preserving the privacy of the victim to the extent possible within the requirements of Title IX and the integrity of the investigation.
- Be able to give testimony in a campus hearing by means other than being in the same room with the accused.
- Have a support person present during campus judicial proceedings.
- Be informed of the outcome of the campus judicial proceeding.

PROGRAMS TO PREVENT DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

Primary and ongoing prevention and awareness education programs include annual training on campus policies, definitions of sexual assault, domestic violence, dating violence, stalking, bystander intervention, risk reduction strategies, and information on consent and healthy relationships.

- Employees are required to complete on-line courses offered by Everfi. The courses are interactive and contain many challenging and interesting real-life workplace situations. The three courses employees are required to complete are:
 - Preventing Discrimination and Sexual Violence: Title IX, VAWA and Clery Act for Faculty and Staff
 - Discrimination and Harassment for Higher Education
 - Child Abuse and Molestation Awareness and Prevention in Pennsylvania.
- Employees are also required to attend Sexual and Domestic Violence Training which is provided by the Delaware County Victim Assistance Center and Montgomery County's Laurel House.
- Staff and faculty who are considered to be “Responsible Employees” pursuant to Title IX are required to attend Title IX training provided by the Bi-Co Title IX Coordinator.
- Staff and student athletes were required to attend a Sexual Violence Prevention Workshop.
 - The student workshop was interactive and explored the definitions of consent, incapacitation, sexual harassment, sexual misconduct, reporting and confidentiality. In addition, it utilized case studies to discuss navigating Title IX reports on a small campus as a student leader utilizing a survivor-centered approach.

– The coaches' workshop discussed how to respond to Title IX reports and how to provide ongoing support to the person and team. It also addressed navigating ongoing Title IX concerns including rumored concerns, how to support an athlete when there is an active investigation or finding of no responsibility and the limitations of the support that can be provided.

- Pursuant to Memorandums of Understanding, the Delaware County Victim Assistance Center and Laurel House provide training to campus safety, student affairs, student health services, counseling services, athletics staff, Title IX team members and persons involved in investigation and adjudicating student conduct proceedings on the following topics: the incidence and prevalence of sexual, dating and domestic violence and stalking; myths about sexual, dating and domestic violence and stalking; the impact of victimization; and providing trauma-informed response.

RAPE AGGRESSION DEFENSE (RAD)

The Rape Aggression Defense (RAD) System is a program of realistic, self-defense tactics and techniques. The RAD System is a comprehensive course for women that begins with awareness, prevention, risk reduction and avoidance, and progresses to the basics of hands-on defense training. RAD is not a martial arts program. Courses are taught by certified RAD instructors and participants are provided with a workbook/reference manual. This manual outlines the entire physical defense program for reference and continuous personal growth. The RAD system of physical defense is currently being taught at many colleges and universities across the nation. The growing, widespread acceptance of this system is primarily due to the ease, simplicity and effectiveness of the tactics, solid research, legal defensibility and unique teaching methodology. The system of realistic defense is intended to provide a woman with the knowledge to make an educated decision about resistance.

BICYCLE REGISTRATION

The Campus Safety Department offers free bicycle registration for members of the Haverford College community. Once the form is completed a decal will be placed on the bicycle, which clearly marks the bike and is a deterrent to theft. A copy of the registration form will be on file with the Campus Safety Department. Bicycle registration is an important prevention tool and in the unfortunate event that the bicycle is stolen the information can be shared with the police.

CAMPUS SAFETY ADVISORY COMMITTEE

The advisory committee, comprised of students and staff, meets several times a semester to discuss issues and topics relating to safety and security.

SAFETY UPDATES AND OVERVIEWS

Campus Safety presents updates at at least one All Staff Meeting and at least one Faculty Meeting per school year.

CAMPUS SECURITY AUTHORITIES

CSAs are trained annually through videos and Powerpoint presentations.

CRIME PREVENTION TIPS

Students are reminded that safety is a shared responsibility. The College encourages all members of the campus community to use common sense and caution to protect themselves and their property. To increase awareness, a weekly **Security Summary** is posted to keep the community apprised of noteworthy incidents occurring on or near campus. Students are reminded that the Campus Safety Department works to keep our campus safe, but needs their help in order to reduce thefts and other crime in order to keep others from becoming victims.

Remember:

- Do not prop doors
- Lock your windows and doors
- Draw curtains and shades at night
- Keep valuables hidden or out of sight
- Trust your instincts and call Campus Safety when you are concerned about suspicious behavior.

TITLE IX

Title IX of the Educational Amendments of 1972 prohibits any person in the United States from being discriminated against on the basis of sex in seeking access to any educational program or activity receiving federal financial assistance. The U.S. Department of Education, which enforces Title IX, has long defined the meaning of Title IX's prohibition on sex discrimination broadly to include various forms of sexual harassment and sexual violence that interfere with a student's ability to equally access educational programs and opportunities.

U.S. DEPARTMENT OF EDUCATION FINAL RULE UNDER TITLE IX

On May 19, 2020, the U.S. Department of Education issued a Final Rule under Title IX of the Education Amendments of 1972 that:

- Defines the meaning of "sexual harassment" (including forms of sex-based violence),
- Addresses how an institution must respond to reports of misconduct falling within that definition of sexual harassment, and
- Mandates a grievance process that an institution must follow to comply with the law in these specific covered cases before issuing a disciplinary sanction against a person accused of sexual harassment.

See, 85 Fed. Reg. 30026 (May 19, 2020). The full text of the Final Rule and its extensive Preamble are available here: <http://bit.ly/TitleIXReg>

Haverford College ("the College") remains committed to addressing any violations of its policies, even those not meeting the narrow standards defined under the new Title IX Final Rule, and retains authority to investigate and adjudicate allegations under the policies and procedures defined within this the Haverford College Sexual Misconduct Policy.

BI-COLLEGE POLICY DEVELOPMENT

Bryn Mawr and Haverford Colleges ("the Colleges") have a long-standing collaborative relationship which offers students comprehensive access to academics, student organizations, residence hall and dining facilities, and social activities on both campuses. A free "Blue Bus" shuttle service makes regular stops at each campus every 30 minutes, providing easy and frequent access to all community members. Some academic programs and departments are provided only on one campus or structured to share resources between the two institutions. In 2016, the Colleges codified the Bi-College ("Bi-Co") relationship with a **Memorandum of Understanding** to provide a formalized framework for ongoing collaboration. Due to the complexity of the Title IX requirements, specific

language in the Final Rule, and the sometimes overlapping nature of the Colleges' Education Program and Activities, Bryn Mawr and Haverford Colleges will implement Sexual Misconduct Policies which are substantially the same, effective August 14, 2020. The Colleges will jointly administer the procedures set forth in the Resolution Process of these Policies, as mutually agreed by the Colleges, if a Complainant is a student or employee of one College and the Respondent is a student or employee of the other College, if the Complainant is a student or employee of one College and the location of the alleged Sexual Misconduct is the other College, or if other facts and circumstances set forth in a Formal Complaint or in the investigation of such Formal Complaint suggest the need for joint administration of the Resolution Process.

THE SEXUAL MISCONDUCT POLICY

Haverford College is committed to ensuring that all members of the College community have a learning and working environment that is free from sexual misconduct. For purposes of this policy, the College defines **Sexual Misconduct** as acts described in one or both of the following broad categories:

1. **"Title IX Sexual Harassment,"** in accordance with the U.S. Department of Education Final Rule, includes any conduct on the basis of sex that is alleged to have occurred in a College Education Program or Activity, and is alleged to have been perpetrated against a person in the United States. The conduct alleged, if true, must satisfy one or more of the following conditions:
 - a. A College employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct;
 - b. Unwelcome conduct a reasonable person would determine to be so severe, pervasive, and objectively offensive such that it effectively denies a person equal access to the College's Programs or Activities;
 - c. **Sexual Assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), meaning any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent (such as incapacitation, age, family relation to the other party, or intellectual or other disability). Sexual Assault can be committed by or against individuals of any sex or gender and can occur between individuals of the same sex/gender or different sexes/genders. As required by the Title IX Final Rule, the College will rely on the following definitions of Sexual Assault:
 - i. sexual intercourse with another person, including oral or anal sexual intercourse, or the use of any body part or an object or instrument to unlawfully penetrate, however

slightly, the genital or anal opening of the body of another person, without consent of the victim, including instances where the victim is incapable of giving consent because of their age or because of their temporary or permanent mental or physical incapacity;

- ii. touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of their age or because of their temporary or permanent mental or physical incapacity;
 - iii. sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law; or
 - iv. sexual intercourse with a person who is under the statutory age of consent.
- d. **Dating Violence**, as defined in 34 U.S.C. § 12291(a)(1)), meaning any act of violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined based on a consideration of the length, type, and frequency of interactions between the persons involved in the relationship.
 - e. **Domestic Violence**, as defined in 34 U.S.C. § 12291(a)(8), meaning a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
 - f. **Stalking**, as defined in 34 U.S.C. 12291(a) (30), meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress.
2. **"Other Gender-Based Misconduct,"** defined as acts which do not meet the narrow definition of "Title IX Sexual Harassment," as defined above, but nevertheless could constitute discrimination on the basis of sex. Other Gender-Based Misconduct, which is alleged to have occurred by or against any member of the College community, regardless of the location of the alleged action, includes:

- a. Sexual Assault, Dating Violence, Domestic Violence and Stalking as defined in 1c, d, e and f (above).
- b. Unwelcome conduct of a sexual nature, including but not limited to unwelcome sexual advances, requests for sexual favors, or other verbal or nonverbal conduct of a sexual nature that is sufficiently serious, pervasive, or persistent as to create an intimidating, hostile, humiliating, demeaning, or sexually offensive working, academic, residential, or social environment under both an objective and subjective standard.
- c. Sexual exploitation, defined as occurring when a person abuses or exploits another person's sexuality for the purpose of sexual gratification, financial gain, personal benefit or advantage, or any other non-legitimate purpose without that person's consent. The act or acts of sexual exploitation are prohibited even though the behavior does not constitute one of the other sexual misconduct offenses.

Examples of sexual exploitation include:

- observing another individual's nudity or sexual activity or allowing another to observe consensual sexual activity in a place where that person would have a reasonable expectation of privacy, without that person's consent;
- recording, and/or distributing (including streaming) of images, photography, video, or audio recording of sexual activity or nudity, or distribution of such without that person's consent;
- prostituting another individual;
- exposing one's genitals in non-consensual circumstances;
- knowingly exposing another individual to a sexually transmitted disease or virus without that individual's knowledge; and
- inducing incapacitation for the purpose of making another person vulnerable to non-consensual sexual activity.

GENERAL RULES OF APPLICATION

The above-referenced acts are considered sexual discrimination. Title IX of the Educational Amendments of 1972, 20 U.S.C. §§1681-1688 ("Title IX"), prohibits discrimination on the basis of sex in Education Programs and Activities operated by recipients of federal financial assistance, including Haverford College. This Policy is intended to meet the College's obligations under Title IX; the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act"), as amended by the Violence Against Women Reauthorization Act of 2013 ("VAWA"), with respect to its application to sex-based misconduct; and other applicable law and regulations.

Consistent with Title IX requirements, Haverford College does not discriminate on the basis of sex in its Education Programs or Activities (including in admissions and employment). College community members have the right to be free from all forms of sexual harassment and violence. All College community members are expected to conduct themselves in a manner that does not infringe upon the rights of others. The College has zero tolerance for sexual misconduct, and this Policy applies to all employees and students. Non-members of the campus community who engage in discriminatory actions within College programs or on College property are not under the jurisdiction of this policy, but can be subject to actions that limit their access and/or involvement with College programs as the result of their misconduct.

Reports of Sexual Misconduct committed by any student or employee (including faculty and staff) of the Haverford community will be resolved according to the procedures outlined in this Policy, unless otherwise noted.

EFFECTIVE DATE

This **Sexual Misconduct Policy** is effective on August 14, 2020 and will apply to Formal Complaints of Sexual Misconduct brought on or after August 14, 2020. Formal Complaints brought prior to August 14, 2020 will be investigated and adjudicated according to previous College policies.

NON-DISCRIMINATION IN APPLICATION

The requirements and protections of this Policy apply equally regardless of sex, sexual orientation, gender identity, gender expression, or other protected classes covered by federal or state law. All requirements and protections are equitably provided to individuals regardless of such status or status as a Complainant, Respondent, or Witness. Individuals who wish to file a complaint about this Policy or processes set forth herein may contact the Department of Education's Office for Civil Rights using contact information available at <https://ocrcas.ed.gov/contact-ocr>.

DISABILITY ACCOMMODATIONS

This Policy does not alter any College obligations under federal disability laws including the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Parties may request reasonable accommodations, that do not fundamentally alter the Resolution Process, for disclosed disabilities to the Title IX Coordinator at any point before or during the Process. The Title IX Coordinator will not affirmatively provide disability accommodations that have not been specifically requested by the Parties, even where the Parties may be receiving accommodations in other College programs and activities.

ALCOHOL AND DRUG USE AMNESTY

The health and safety of every student is of utmost importance. The College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time Sexual Misconduct occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. The College strongly encourages students to report incidents of Sexual Misconduct. An individual who experiences Sexual Misconduct, or a Witness to such Sexual Misconduct, acting in good faith, who discloses any incident of Sexual Misconduct to College officials or law enforcement will not be sanctioned under College codes of conduct for violations of alcohol and/or drug use policies occurring at or near the time of the incident(s) of Sexual Misconduct. The College may request that the individual attend an approved alcohol or drug education program, without assessing any charges for such program. This amnesty provision also applies to student groups making a report of Sexual Misconduct. Amnesty does not preclude or prevent action by police or other legal authorities pursuant to relevant state or federal criminal statutes.

POLICY DEFINITIONS

ADVISOR

An Advisor is any individual who has been chosen by a Party or designated by the College to provide support and guidance during the resolution process. The specific role of the Advisor is explained under the **Resolution Process** section of the Policy.

COMPLAINANT

A Complainant is any individual who has reported being or is alleged to be the victim of conduct that could constitute Sexual Misconduct as defined under this Policy.

CONFIDENTIAL RESOURCE

A Confidential Resource is a College employee who is not required to report notice of sexual harassment to the Title IX Coordinator. References made to *confidentiality* refer to the ability of identified confidential resources to not report crimes and violations to law enforcement or College officials without permission, except for extreme circumstances, such as a health and/or safety emergency or child abuse. Lists of Confidential Resources are available on the **Haverford College** web page.

CONSENT

Consent to engage in sexual activity must be informed, knowing and voluntary; consent must exist from the beginning to end of each instance of sexual activity and for each form of sexual contact. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage freely in sexual activity. Consent is active, not passive.

Guidance for Consent:

- Prior to initiating a sexual encounter, one is expected to obtain consent to each act of sexual activity prior to initiating such activity. Consent to one form of sexual activity does not constitute consent to engage in all forms of sexual activity.
- Either party may withdraw consent at any time. Withdrawal of consent should be outwardly demonstrated by words or actions that clearly indicate a desire to end sexual activity. Once withdrawal of consent has been expressed, sexual activity must cease.
- Consent consists of an outward demonstration indicating that an individual has freely chosen to engage in sexual activity. Relying on non-verbal communication can lead to misunderstandings. Consent may not be inferred from silence, passivity, lack of resistance, or lack of an active response alone. A person who does not physically resist or orally refuse sexual activity is not necessarily giving consent.
- When consent is requested orally, absence of any explicit oral response constitutes lack of consent. An oral “no” constitutes lack of consent, even if it sounds insincere or indecisive.

- If at any time during the sexual activity, any confusion or ambiguity arises as to the willingness of the other individual to proceed, both parties should stop and clarify orally the other's willingness to continue before continuing such activity.
- Individuals with a previous or current intimate relationship do not automatically give either initial or continued consent to sexual activity. Even in the context of a relationship, there must be mutually understandable communication that clearly indicates willingness to engage in each sexual activity.
- Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another person.
- Consent is not effective if it results from the use or threat of physical force, intimidation, or coercion, or any other factor that would eliminate an individual's ability to exercise their own free will to choose whether or not to have sexual contact.
- An individual who is physically incapacitated from alcohol or other drug consumption (voluntarily or involuntarily) or is asleep, unconscious, unaware, or otherwise physically helpless is considered unable to give consent.
- In the Commonwealth of Pennsylvania, the age of majority is 18. Under state law, consent cannot be given by minors under the age of 13 and can only be given by a minor under the age of 16, if the other party is less than four (4) years older than the minor.

EDUCATION PROGRAM OR ACTIVITY

Includes:

- Any Haverford College on-campus premises
- Any off-campus premises over which the College has substantial control over the Respondent and the context in which the Sexual Misconduct occurred. This includes buildings or property owned or controlled by a recognized student organization.
- Any activity occurring within computer and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in the operations of College programs and activities over which the College has substantial control.

FORMAL COMPLAINT

A Formal Complaint is a document—including an electronic submission—filed by a Complainant with a signature or other indication that the Complainant is the person filing the Formal Complaint, or a document signed by the Title IX Coordinator, alleging Sexual Misconduct against a Respondent within the College's Education Program or Activity and requesting initiation of the College's Resolution procedures consistent with this Sexual Misconduct Policy to investigate the allegation of Sexual Misconduct.

HEARING PANEL

The Hearing Panel is the group of individuals appointed by the College with authority to determine responsibility and sanctioning (if applicable) for violation of this Sexual Misconduct Policy.

INVESTIGATOR

The Investigator is the individual or individuals appointed by the College to gather evidence and facts related to the allegation of Sexual Misconduct. The Investigator(s) will provide an investigative report summarizing all relevant evidence for review by both the Complainant and Respondent.

PRIVACY

References made to privacy mean the actions of College employees, who cannot guarantee confidentiality, to maintain privacy to the greatest extent possible. Information disclosed will be relayed only as necessary to investigate and/or seek a resolution and to notify the Title IX Coordinator or designee, who is responsible for tracking patterns and spotting systemic issues. The College will limit disclosure as much as practicable, even if the Title IX Coordinator determines that a request for confidentiality cannot be honored.

The privacy of student education records will be protected in accordance with the Family Educational Rights and Privacy Act (FERPA), as outlined in the **Haverford College FERPA** policy. Employee privacy will be protected in accordance with **Haverford College Employee Handbook**.

RESOLUTION PROCESS

The Resolution Process is a formal resolution process to address reported conduct that may be a violation of this Sexual Misconduct Policy.

RESPONDENT

A Respondent is any individual who has been reported to be the perpetrator of conduct that could constitute Sexual Misconduct as defined under this Policy.

REPORTING SEXUAL MISCONDUCT TO THE COLLEGE

Any person may report Sexual Misconduct in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report.

Such a report may be made at any time (including during non-business hours) via the **Haverford Online Reporting Form**, or by mail to the office address listed for the Title IX Coordinator. The Online Reporting Form will provide a link to this Policy, as well as encourage individuals to review this Policy for more information about procedures and resources.

Individuals who report Sexual Misconduct in Pennsylvania will also be informed of their rights as a victim of crime under Pennsylvania law.

Once an individual provides a report of Sexual Misconduct, the report will be reviewed by the Title IX Coordinator. At this stage, only the Title IX Coordinator will have access to the report, and they will share the information on a limited basis as required to take the appropriate next steps. Using the information gathered through the Online Reporting Form, the College will promptly contact the Complainant to discuss appropriate Supportive Measures and to explain the process for filing a Formal Complaint and that Supportive Measures are available with or without the filing of a Formal Complaint. Complainants are not required to respond to outreach from the College and the College will respect this decision, with limited exceptions where it is obligated by law or to act in the safety interest of the community.

Only individuals authorized by the College may enter, update, access, share, or disseminate the electronic data collected, created, or maintained from the Online Reporting Form.

ANONYMOUS REPORTS

An individual may make a report of Sexual Misconduct to the Title IX Coordinator, and if preferred, may do so without disclosing one's name using the online reporting form listed above and here:

Haverford Online Reporting Form

Depending on the level of information available about the incident or the individuals involved, the College's ability to respond to an anonymous report may be limited. The College will, however, take whatever steps it deems appropriate and in the best interest of the overall College community, consistent with the information available. The College will never refuse to respond on the grounds that a report was made anonymously.

Information collected through the anonymous reporting line will be shared only with necessary College officials in order to respond to the reported concern. Information is kept confidential and no personally identifiable information is shared, except as necessary to follow this Policy, without the reporting party's consent.

TITLE IX COORDINATOR

The Title IX Coordinator provides supervision and management of the College's efforts to address and resolve incidents of sexual and gender-based discrimination. The Bi-College Title IX Coordinator is:

Kimberly E. Taylor

Bi-Co Title IX Coordinator, Haverford and Bryn Mawr Colleges
ktaylor4@haverford.edu
Haverford College office location: Founders 027
Phone: (610) 896-1234

At Haverford College, the Title IX Coordinator has reporting responsibilities to:

John McKnight

Dean of the College
Haverford College
jmcknight@haverford.edu

SUPPORTIVE MEASURES

Supportive Measures are non-disciplinary, non-punitive, and individualized services that the College offers and may put in place, without fee or charge, after receiving notice of possible violations of this Policy. Supportive Measures are designed to restore or preserve access to the College's Education Program and Activity, protect the safety of all Parties and the College's educational environment, and/or deter Sexual Misconduct, while not being punitive in nature or unreasonably burdening any Party.

Both Complainants and Respondents have the right to receive Supportive Measures from the College regardless of whether a Formal Complaint has been filed. The Title IX Coordinator will contact a Complainant after receiving notice of possible violation of this Policy (1) to discuss the availability of Supportive Measures and (2) to explain that Supportive Measures are available with or without the filing of a Formal Complaint of Title IX Sexual Harassment. The Title IX Coordinator will consider the Complainant's wishes with respect to implementation of Supportive Measures.

To determine the appropriate Supportive Measure(s) to be implemented, the College will conduct an individualized assessment based on the unique facts and circumstances of a situation. Whether a possible Supportive Measure would unreasonably burden the other Party is a fact-specific determination made by the College in its discretion that takes into account the nature of the Education Program

and Activity, opportunities and benefits in which an individual is participating.

Examples of Supportive Measures may include, as appropriate and as reasonably available:

- referral to counseling or medical services
- extensions of deadlines or other course-related adjustments
- modifications of work or class schedules
- campus escort services
- restrictions on contact between the Parties (no contact orders)
- changes in work or housing locations
- leaves of absence
- increased security and monitoring of certain areas of the campus

Supportive Measures will remain private to the extent possible. Some College officials will be notified of Supportive Measures as needed for implementation.

The Title IX Coordinator will ultimately serve as the point of contact for any individual requesting Supportive Measures.

EMERGENCY REMOVAL

The College may remove a Respondent from the College's Education Program or Activity on an emergency basis, where the College (1) undertakes an individualized safety and risk analysis and (2) determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Misconduct justifies a removal.

If a College official determines such removal is necessary, the Respondent will be provided notice and an opportunity to appeal the decision immediately following the removal.

ADMINISTRATIVE LEAVE

The College retains the authority to place a non-student employee Respondent on administrative leave during the pendency of the Resolution Process, consistent with **Haverford College Employee Handbooks**. An employee will not be placed on administrative leave unless and until a Formal Complaint of Sexual Misconduct has been filed with the College.

RESOLUTION PROCESS

FILING A FORMAL COMPLAINT

The timeframe for the College's Resolution Process begins with the filing of a Formal Complaint. The Resolution Process will be concluded within a reasonably prompt manner, and in ordinary cases no longer than ninety (90) business days after the filing of the Formal Complaint. The phrase "business days" shall refer to those days ordinarily recognized by the College's administrative calendar as workdays. The Process may be extended for a good reason, including but not limited to the absence of a Party, a Party's advisor, or a Witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. Parties may submit a written request for an extension to the Title IX Coordinator.

To file a Formal Complaint, a Complainant must provide the Title IX Coordinator a written, signed complaint describing the facts alleged. If a Complainant does not wish to make a Formal Complaint in connection with a report of Sexual Misconduct, the Title IX Coordinator may, in their discretion, determine a Formal Complaint is

necessary and sign the Formal Complaint. When the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not the Complainant or otherwise a Party. The Title IX Coordinator will inform the Complainant of this decision in writing, and the Complainant need not participate in the process further, but the Complainant will still be treated as a Party entitled to inspect and review evidence and to receive all notices, including the notice of allegations, the notice of Hearing, and the notice of outcome. At no time will the College coerce or retaliate against a Complainant or any Party or Witness in order to convince the Complainant or any Party or Witness to participate in the Resolution Process.

Nothing in this Sexual Misconduct Policy prevents a Complainant from seeking the assistance of state or local law enforcement alongside the appropriate on-campus process.

A Complainant who files a Formal Complaint may elect (if all Parties and the College agree), at any time, to address the matter through an **Alternative Resolution Process**.

MULTI-PARTY OR MULTI-ALLEGATION SITUATIONS

In its discretion, the College may consolidate Formal Complaints alleging Sexual Misconduct against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one Party against the other Party, where the allegations arise out of the same facts or circumstances. In addition, the College has discretion to consolidate allegations of other forms of misconduct should they occur in the same incident. If Formal Complaints involving multiple Complainants, multiple Respondents, or multiple allegations are consolidated, each Party will have access to all of the information being considered including as provided by all involved Complainants, all involved Respondents, and all involved Witnesses. The decision to consolidate Formal Complaints is not subject to appeal.

DETERMINING JURISDICTION AND MANDATORY TITLE IX DISMISSAL

The Resolution Process will apply to a Formal Complaint if, in the reasonable determination of the Title IX Coordinator, the alleged conduct fits the definition of Sexual Misconduct as defined in this Policy, i.e., the alleged conduct is "Title IX Sexual Harassment" and/or "Other Gender-Based Misconduct," as defined herein. In addition, a Complainant filing a Formal Complaint of Title IX Sexual Harassment must be participating, or attempting to participate, in the College's Education Programs and Activities at the time the Formal Complaint is filed in order for the Formal Complaint to be considered Title IX Sexual Harassment for purposes of the Resolution Process. If the Complainant is not participating or attempting to participate in a College Education Program or Activity, the College will dismiss the Complaint for Title IX purposes and treat the Formal Complaint as one of Other Gender-Based Misconduct.

If the alleged conduct does not meet these definitions, the Title IX Coordinator will, in consultation with the Dean of the Undergraduate College (for student-related Complaints) or the Director of Human Resources (for employee-related Complaints) determine the appropriate process for resolution.

DISCRETIONARY TITLE IX DISMISSAL OF COMPLAINT

The Title IX Coordinator may, in their discretion, dismiss a Formal Complaint brought under this Sexual Misconduct Policy, or any specific allegations raised within that Formal Complaint, at any time during the Investigation or Hearing, if:

- A Complainant notifies the Title IX Coordinator in writing that they would like to withdraw the Formal Complaint, or any allegations raised in the Formal Complaint;
- The respondent is no longer enrolled or employed by Haverford College or,
- If specific circumstances prevent the College from gathering evidence sufficient to reach a determination regarding the Formal Complaint or allegations within the Formal Complaint.

The College retains discretion on a case-by-case basis to dismiss a Formal Complaint based on any of the above reasons. Just because one or all of the conditions above are satisfied, does not mean the College will automatically dismiss the Formal Complaint. Instead, the College will determine if such a decision is appropriate under the circumstances.

NOTICE OF DISMISSAL

Upon reaching a decision that the Formal Complaint will be dismissed, the College will promptly send written notice of the dismissal of the Formal Complaint or any specific allegation within the Formal Complaint, and the reason for the dismissal, simultaneously to the Parties through their College email accounts if they are a student or employee, and by other reasonable means if they are neither. It is the responsibility of Parties to regularly check their email accounts.

Any Party may appeal a dismissal determination using the process set forth in “Appeals” section of this Policy.

WITHDRAWAL OR RESIGNATION WHILE CHARGES ARE PENDING

Should a student withdraw from the College or refuse to participate in the Resolution Process, the College reserves the right to continue with the Formal Complaint in the student’s absence. A determination of responsibility that results in a student’s suspension or expulsion will be noted on that student’s official transcript.

Should an employee resign with unresolved allegations pending, Human Resources records will reflect that status, and the College reserves the right to continue with a Formal Complaint in the employee’s absence.

NOTICE OF ALLEGATIONS

The Title IX Coordinator will draft and provide the Notice of Allegations to any Party to the allegations of Sexual Misconduct. Such notice will occur as soon as practicable after the College receives a Formal Complaint of the allegations if there are no extenuating circumstances.

The Parties will be notified simultaneously by their College email accounts if they are a student or employee, and by other reasonable means if they are neither. The College will provide sufficient time for the Parties to review the Notice of Allegations and prepare a response before any initial interview.

CONTENTS OF NOTICE

The Notice of Allegations will include the following:

- Notice of the College’s Sexual Misconduct Policy and a hyperlink to a copy of the Policy.
- Notice of the allegations potentially constituting Sexual Misconduct, and sufficient details known at the time the Notice is issued, such as the identities of the Parties involved in the incident, if known, including the Complainant, the conduct allegedly constituting Sexual Misconduct, and the date and location of the alleged incident, if known.
- A statement that the Respondent is presumed not responsible for the alleged conduct and that a Determination Regarding Responsibility will be made at the conclusion of the Resolution Process.
- A statement that the Parties may have an Advisor of their choice, who may be, but is not required to be, an attorney.
- A statement that before the conclusion of the Investigation, the Parties may inspect and review evidence obtained as part of the Investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the College does not intend to rely in reaching a Determination Regarding Responsibility, and evidence that both tends to prove or disprove the allegations, whether obtained from a Party or other source.
- Information regarding the availability of support and assistance through College resources and the opportunity to meet with the Title IX Coordinator in person to discuss resources, rights, and options.

- A statement that the College explicitly prohibits Retaliation by or against the Complainant, the Respondent, and Witnesses, that the College will take prompt action if Retaliation is reported, and instructions regarding how to report acts of alleged Retaliation.

ADVISORS

Parties participating in the Formal Resolution Process as a Complainant or Respondent may be accompanied by an Advisor to any meeting or hearing to which they are required or are eligible to attend. The Advisor is not an advocate. Except where explicitly stated in this Policy, as consistent with the Department of Education's Final Rule, Advisors shall not participate directly in the process.

The College will reasonably attempt to accommodate meetings and hearings on dates when Advisors are available, provided that an Advisor acts reasonably in providing available dates and works collegially to find dates and times that meet all schedules.

The College's obligation to investigate and adjudicate in a prompt timeframe under Title IX and other College policies apply to matters governed by this Policy, and the College cannot agree to extensive delays solely to accommodate the schedule of an Advisor. The determination of what is reasonable shall be made by the Title IX Coordinator or designee. The College will not be obligated to delay a meeting or Hearing under this process more than five (5) days due to the unavailability of an Advisor, and may offer the Party the opportunity to obtain a different Advisor or utilize one provided by the College.

The College will provide the Parties equal access to Advisors and support persons; any restrictions on Advisor participation will be applied equally.

ALTERNATIVE RESOLUTION

Parties who do not wish to proceed with an Investigation and live Hearing, and instead seek the College's assistance to resolve allegations of Sexual Misconduct, may elect to enter the Alternative Resolution Process. Generally speaking, these resolution options are less time intensive than an Investigation and Hearing, while still affording an opportunity to actively participate in a process for resolution of Complaints.

Parties may elect to enter an Alternative Resolution Process at any time after the filing of the Formal Complaint and prior to a Determination Regarding Responsibility through an informed written consent. This informed written consent will include all terms of the elected alternative process, including a statement that any agreement reached through the process is binding on the Parties.

All Parties must agree on the form of Alternative Resolution, and the Title IX Coordinator or designee must approve the decision to commence an Alternative Resolution Process and may determine that Alternative

Resolution is not appropriate under the circumstances. Factors in considering the appropriateness of the Alternative Resolution Process include, but are not limited to, the gravity of the allegations, whether there is an ongoing threat of harm or safety to the campus, whether the Respondent is a repeat offender, and whether the Parties are participating in good faith. This determination is not subject to appeal.

Alternative Resolution is only permitted to address allegations of student-on-student sexual harassment and is never allowed as an option to resolve allegations that an employee sexually harassed a student.

At any time after the commencement of the Alternative Resolution Process, the College may determine that the Alternative Resolution Process is not an appropriate method for resolving the matter and may require that the matter be resolved through the Formal Process. This determination is not subject to appeal. In addition, either Party may elect to leave the Alternative Resolution Process at any point prior to reaching a resolution. If a Party elects to leave the Alternative Resolution Process, the Formal Resolution Process may recommence, if necessary.

ROLE OF THE ALTERNATIVE RESOLUTION FACILITATOR

Alternative Resolution Processes are managed by Facilitators, who must not have a conflict of interest or bias in favor for or against Complainants or Respondents generally or regarding the specific Parties in the matter.

Facilitators have training in the definitions of Sexual Misconduct, the scope of the College's Education Program or Activity, how to conduct Alternative Resolution Processes, and how to serve impartially, including by avoiding pre-judgment of the facts at issue, conflicts of interest, or bias.

CONFIDENTIALITY

In entering the Alternative Resolution Process, the Parties agree that any testimony and evidence (including admissions of responsibility) they share or receive during the Alternative Resolution Process concerning the allegations of the Formal Complaint is confidential. No evidence concerning the allegations obtained within the Alternative Resolution Process may be disseminated to any person, provided that any Party to the Alternative Resolution Process may generally discuss the allegations under investigation with a parent, friend, advisor, or other source of emotional support, or with an advocacy organization. As a condition of entering the Alternative Resolution Process, any evidence shared or received during the Alternative Resolution Process may not be used in any subsequent Formal Resolution Process or College Appeal.

ALTERNATIVE RESOLUTION OPTIONS

The College offers the following Alternative Resolution options for addressing Formal Complaints of Sexual Misconduct:

Administrative Resolution

Should the Parties mutually determine to enter the Alternative Resolution Process, and the Respondent elects to accept responsibility for the allegations of the Formal Complaint at any point during the Alternative Resolution Process, the College may administratively resolve the Formal Complaint.

Where the Respondent admits responsibility, the Parties will receive simultaneous written notification of the acceptance of responsibility, and a Hearing Panel will convene to determine the Respondent's sanction and other remedies, as appropriate and consistent with College policy. The Parties will be given an opportunity to be heard at a sanctions hearing, including but not limited to the submission of impact statements. Parties may be accompanied by their Advisor but questioning of Parties or Witnesses will not be permitted. The Parties will receive simultaneous written notification of the decision regarding sanctions and remedies, which may be appealed according to the Appeal Process.

Facilitated Resolution

The purpose of Facilitated Resolution is for the Parties who are in conflict to identify the implications of a student's actions and, with the assistance of a trained Facilitator, identify points of agreement and appropriate remedies to address them. Either Party can request Facilitated Resolution to seek resolution; however, Facilitated Resolution will be used only with the consent of both Parties. The Parties will be instructed not to contact one another during the process. The Title IX Coordinator will review any request for Facilitated Resolution and may, in their discretion, decline to mediate based on the facts and circumstances of the particular case. Either Party has the right to terminate the Facilitated Resolution process and choose or resume another option for resolution at any time.

During Facilitated Resolution, any potential Investigation will halt, and calculations for time frames will be stayed. If the Facilitated Resolution results in a resolution, the disciplinary process will be concluded, and the matter will be closed. If a resolution cannot be reached, the matter will be referred back to the Title IX Coordinator to re-evaluate other options for resolution, including Investigation.

During Facilitated Resolution, a Facilitator will guide a discussion between the Parties. In circumstances in which the Parties do not wish to meet face-to-face, either Party can request "caucus" Facilitated Resolution, and the Facilitator will conduct separate meetings. Whether or not the Parties agree to meet face-to-face, each Party will be permitted to bring an Advisor of their choice to any meetings. The Advisor may provide private guidance during the Facilitated Resolution but may not actively

participate in the discussion between the Complainant and Respondent.

At the conclusion of the Facilitated Resolution, the Facilitator will memorialize the agreement that was reached between the Parties. The Title IX Coordinator maintains records of any resolution that is reached, and failure to abide by the resolution can result in appropriate enforcement actions.

FORMAL RESOLUTION PROCESS

NOTICE OF MEETINGS AND INTERVIEWS

The College will provide, to a Party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all Hearings, investigative interviews, or other meetings with a Party, with sufficient time for the Party to prepare to participate.

REQUEST FOR DELAY

Each Party may request a one-time delay in the Resolution Process of up to five (5) days for good cause (granted or denied in the judgment of the Title IX Coordinator, in consultation with the Dean of the College or Director of Human Resources, as appropriate), provided that the requester provides reasonable notice and the delay does not overly inconvenience other Parties.

The Title IX Coordinator shall have sole judgment to grant further pauses in the Process.

INVESTIGATION

GENERAL RULES OF INVESTIGATIONS

The Investigator(s) will perform an Investigation under a reasonably prompt timeframe of the conduct alleged to constitute Sexual Misconduct after issuing the Notice of Allegations.

The College, and not the Parties, bears the burden of proof and the burden of gathering evidence, (i.e., the responsibility of showing a violation of this Policy has occurred). This burden does not rest with either Party, and either Party may decide not to share their account of what occurred or may decide not to participate in an Investigation or Hearing. This does not shift the burden of proof away from the College and does not indicate responsibility.

The College cannot access, consider, or disclose medical records without a waiver from the Party (or parent, if applicable) to whom the records belong or of whom the records include information. The College will provide an equal opportunity for the Parties to present Witnesses, including fact and expert Witnesses, and other inculpatory and/or exculpatory evidence (i.e., evidence that tends to prove or disprove the allegations, respectively), as described below.

ONGOING NOTICE

If, in the course of an Investigation, the College decides to investigate allegations about the Complainant or Respondent that are not included in the original Notice of Allegations and otherwise fall within this Sexual Misconduct Policy, the College will notify the Parties whose identities are known of the additional allegations by their College email accounts or other reasonable means.

The Parties will be provided sufficient time to review the additional allegations to prepare a response before any initial interview regarding those additional charges.

REVIEW OF EVIDENCE

Prior to the completion of the Investigative Report, the Parties and their Advisors will have an equal opportunity to inspect and review the evidence obtained through the Investigation. The purpose of the inspection and review process is to allow each Party the equal opportunity to meaningfully respond to the evidence prior to conclusion of the Investigation.

Evidence that will be available for inspection and review by the Parties will be any evidence that is directly related to the allegations raised in the Formal Complaint. It will include any:

1. Evidence that is directly related to the allegations in the Formal Complaint, even if that evidence does not end up being relied upon by the College in determining responsibility;
2. Inculpatory or exculpatory evidence that is directly related to the allegations, whether obtained from a Party or other source.

All Parties must submit any evidence they would like the Investigator to consider prior to when the Parties' time to inspect and review evidence begins.

The College will send the evidence made available for each Party and their Advisors to inspect and review. The College is not under an obligation to use any specific process or technology to provide the evidence and shall have the sole discretion in terms of determining format and any restrictions or limitations on access.

The Parties will have ten (10) business days to inspect and review the evidence and submit a written response by email to the Investigator. The Investigator will consider the Parties' written responses before completing the Investigative Report.

Any evidence subject to inspection and review will be available at any Hearing, including for purposes of questioning.

The Parties and their Advisors must sign an agreement not to disseminate any of the evidence subject to inspection

and review or use such evidence for any purpose unrelated to the Resolution Process.

Evidence obtained in the Investigation that is determined in the reasoned judgment of the Investigator not to be directly related to the allegations in the Formal Complaint will be included in the appendices to the Investigative Report and may be appropriately redacted before the Parties' inspection to avoid disclosure of personally identifiable information of a student.

INVESTIGATIVE REPORT

The Investigator will create an Investigative Report that accurately summarizes relevant evidence. The Investigative Report is not intended to catalog all evidence obtained by the Investigator, but only to provide an accurate summary of the relevant evidence.

Only relevant evidence (including both inculpatory and exculpatory) will be referenced in the Investigative Report.

The Investigator may redact irrelevant information from the Investigative Report when that information is contained in documents or evidence that is/are otherwise relevant.

HEARING

GENERAL RULES OF HEARINGS

The College will not issue a disciplinary sanction arising from an allegation of Sexual Misconduct without holding a Hearing and permitting an Appeal, unless otherwise resolved through an Alternative Resolution Process.

The Hearing may be conducted with all Parties physically present in the same geographic location, or, at the College's discretion, any or all Parties, Witnesses, and other participants may appear at the Hearing virtually through video conference. This technology will enable participants simultaneously to see and hear each other. At its discretion, the College may delay or adjourn a Hearing based on technological errors not within a Party's control.

CONTINUANCES OR GRANTING EXTENSIONS

The College may determine that multiple sessions or a continuance (i.e., a pause on the continuation of the Hearing until a later date or time) is needed to complete a Hearing. If so, the College will notify all participants and endeavor to accommodate all participants' schedules and complete the Hearing as promptly as practicable.

PARTICIPANTS IN THE HEARING

Hearings are not public, and only the following individuals are permitted to participate:

Complainant and Respondent (“the Parties”)

- The Parties cannot waive the right to a Hearing except by participating in an Alternative Resolution.
- The College may still proceed with the Hearing in the absence of a Party and may reach a Determination Regarding Responsibility in their absence, including through any evidence gathered that does not constitute a “statement” by that Party.
- For example, an oral or written statement constituting part or all of the Sexual Misconduct itself is not a “prior statement” that must be excluded if the maker of the statement does not submit to questioning about that statement. In other words, a prior statement would not include a document, audio recording, audiovisual reading, and digital media, including but not limited to text messages, emails, and social media postings, that constitute the conduct alleged to have been the act of sexual harassment under the Formal Complaint.
- The decision-maker cannot draw an inference about the Determination Regarding Responsibility based solely on a Party's absence from the Hearing or refusal to answer questions.

- Advisors shall be subject to this Policy's **Rules of Decorum** and may be removed in the discretion of the Hearing Panel upon violation of those Rules.

The Hearing Panel

- The Hearing Panel will consist of three (3) trained decision-makers, a Panel Chair and two Panel members. The Panel Chair may be a College administrator or an outside consultant, contracted by the College. Panel members will be appointed administrators or faculty members.
- No member of the Hearing Panel will also have served as the Title IX Coordinator, Title IX Investigator, Advisor to or Witness for any Party in the case.
- No member of the Hearing Panel may serve on the Appeals body in the case.
- No member of the Hearing Panel will have a conflict of interest or bias in favor of or against Complainants or Respondents generally, or in favor or against the Parties to the case.
- The Hearing Panel will be trained on topics including how to serve impartially, issues of relevance, how to apply the rape shield protections provided for Complainants, and any technology to be used at the Hearing.
- The Parties will have an opportunity to raise any objections regarding a Hearing Panel member's actual or perceived conflicts of interest or bias at the commencement of the Hearing.

Advisors

- The Parties have the right to select an Advisor of their choice, who may be, but does not have to be, an attorney.
- The Parties' Advisors may accompany the Parties to any meeting or hearing they are permitted to attend, but may not speak for the Party, except for the purpose of questioning during a Hearing, where appropriate. (See **Questioning Procedure #1**).
- If a Party does not select an Advisor, the College will select an Advisor to serve in this role at the Hearing at no fee or charge to the Party.
- The Advisor is not prohibited from having a conflict of interest or bias in favor of or against Complainants or Respondents generally, or in favor or against the Parties to the case.
- If a Party does not attend the Hearing, the Party's Advisor may appear and ask questions on their behalf.
- If neither a Party nor their Advisor appears at the Hearing, the College will provide an Advisor to appear on behalf of the non-appearing Party.

- Advisors shall be subject to this Policy's **Rules of Decorum** and may be removed upon violation of those Rules.

Witnesses

- Witnesses cannot be compelled to participate in the Hearing and have the right not to participate in the Hearing, free from retaliation.
- If a Witness does not submit to questioning, as described below, the Hearing Panel cannot rely on any statements made by that Witness in reaching a Determination Regarding Responsibility, including any statement relayed by the absent Witness to a Witness or Party who testifies at the Hearing.
- Witnesses shall be subject to this Policy's Rules of Decorum and may be removed upon violation of those Rules.

HEARING PROCEDURES

Any Hearing conducted under this Resolution Process will follow the procedure below:

- The Panel Chair will open and establish rules and expectations for the Hearing.
- The Parties will each be given the opportunity to provide opening statements.
- Panel members will ask questions of the Parties and Witnesses.
- Parties or their Advisors, as applicable, will be given the opportunity to ask questions of the other Party and Witnesses after the Panel members conduct their initial round of questioning.
- During the Parties' questioning, the Panel Chair will have the authority to pause at any time for the established **Rules of Decorum**.
- Should a Party or the Party's Advisor choose not to question the other Party or any Witness, that Party shall affirmatively waive their right to questioning through a written or oral statement to the Panel Chair. A Party's waiver of questioning does not eliminate the ability of the Hearing Panel to use statements made by the Party.

QUESTIONING PROCEDURE

The questioning procedure may differ according to the allegations presented at the Hearing.

Procedure #1

At a Hearing convened to resolve allegations of "Title IX Sexual Harassment," as defined above in this Policy, each Party's Advisor will conduct questioning of the other Party or Parties and Witnesses. During this questioning, the Advisor may ask the other Party or Parties and Witnesses relevant questions and follow-up questions, including those that

challenge credibility directly, orally, and in real time. Parties are not permitted to ask questions of the other Party or Witnesses in Hearings convened under this Procedure #1.

Before any question is answered, the Panel Chair will determine if the question is relevant. The Panel Chair retains the discretion to determine what constitutes a "relevant" question. For example, questions that are duplicative of those already asked may be deemed irrelevant if they have been asked and answered.

If a Party does not submit to questioning during Procedure #1, the Hearing Panel cannot rely on any prior statements made by that Party in reaching a Determination Regarding Responsibility, but may reach a Determination Regarding Responsibility based on evidence that does not constitute a "statement" by that Party.

Procedure #2

For all other Hearings, Parties, and not their Advisors, must conduct any questioning of Witnesses. With respect to questioning of the other party, the Panel Chair will conduct the questioning based upon written questions submitted by the Party. The Panel Chair will only ask the written questions submitted by the other party if they determine, in their discretion, that the question is deemed "relevant." Irrelevant questions will not be asked at the Hearing.

HEARING RECORDING AND TRANSCRIPT

All Hearings will be recorded, and a transcript will be available to the Parties for inspection and review. Requests to review the recording and/or transcript must be made in writing to the Title IX Coordinator. Prior to obtaining access to a Hearing transcript, the Parties and their Advisors must sign an Agreement not to disseminate any of the testimony heard or evidence obtained in the Hearing or use such testimony or evidence for any purpose unrelated to the Resolution Process. Once signed, this Agreement may not be withdrawn. Hearing transcripts will be available within 7 business days of the conclusion of the Hearing unless there are extenuating circumstances.

DETERMINATION REGARDING RESPONSIBILITY

STANDARD OF PROOF

The College will use a "preponderance of the evidence" standard in deriving conclusions for its Determination Regarding Responsibility for Formal Complaints brought under this Policy. This standard means that the facts uncovered during the Investigation and Hearing determine whether it is more likely than not that a violation of the Policy occurred.

CONSIDERATIONS FOR EVALUATING TESTIMONY AND EVIDENCE

Determinations Regarding Responsibility for an allegation of Sexual Misconduct may be based in part, or entirely, on documentary, oral, audiovisual, and digital evidence, as warranted in the reasoned judgment of the Panel Chair.

Hearing Panel members shall not draw inferences regarding a Party's or Witness' credibility based on the Party's or Witness' status as a Complainant, Respondent, or Witness, nor shall they base their judgments in stereotypes about how a Party or Witness would or should act under the circumstances.

Generally, credibility judgments will rest on the demeanor of the Party or Witness, the plausibility of their testimony, the consistency of their testimony, and the reliability of the testimony considering corroborating or conflicting testimony or evidence.

Conversely, credibility judgments will not rest on whether a Party's or Witness' testimony is non-linear or incomplete, or if the Party or Witness is displaying stress or anxiety.

Decision-makers will afford the highest weight relative to other testimony to first-hand testimony by Parties and Witnesses regarding their own memory of specific facts that occurred. Both inculpatory and exculpatory evidence will be weighed in equal fashion.

Except where specifically barred by the Title IX Final Rule, a Witness' testimony regarding third-party knowledge of the facts at issue will be permitted, but generally will be accorded lower weight than testimony regarding direct knowledge of specific facts that occurred.

Parties may call "expert witnesses." While the expert witness will be permitted to testify and be questioned, the Hearing Panel will be instructed to afford lower weight to non-factual testimony of the expert relative to fact witnesses, and any expert testimony that is not directed to the specific facts that occurred in the case will be afforded lower weight than testimony of fact witnesses, regardless of whether the expert witness testimony is the subject of questioning and regardless of whether both Parties present experts as Witnesses.

Parties may call character witnesses to speak on their behalf. While the character witness may testify and be questioned, the Hearing Panel will be instructed to afford very low weight to any non-factual character testimony of any Witness.

Where a Party's or Witness' conduct or statements demonstrate that the Party or Witness is engaging in retaliatory conduct, including but not limited to Witness tampering and intimidation, the Hearing Panel may draw an adverse inference as to that Party's or Witness' credibility.

WRITTEN DETERMINATION REGARDING RESPONSIBILITY

The written Determination Regarding Responsibility ("the Determination") will be issued simultaneously to all Parties through their College email account, or other reasonable means, as necessary. The Determination will include:

1. Summary of the allegations of Sexual Misconduct.
2. A description of the procedural steps taken from the receipt of the Formal Complaint through the Determination, including any notifications to the Parties, interviews with Parties and Witnesses, site visits, methods used to gather other evidence, and Hearings held.
3. Findings of fact supporting the Determination.
4. Conclusions regarding which section of the Sexual Misconduct Policy, if any, the Respondent has or has not been found to have violated.
5. For each allegation:
 - a. A statement of, and rationale for, the Determination Regarding Responsibility.
 - b. A statement of, and rationale for, any disciplinary sanctions the College imposes on the Respondent; and
 - c. A statement of, and rationale for, whether remedies designed to restore or preserve equal access to the College's Education Program or Activity will be provided to the Complainant; and
6. The College's procedures and the permitted reasons for the Complainant and Respondent to appeal the Determination (described below in "Appeal").

TIMELINE OF DETERMINATION REGARDING RESPONSIBILITY

If there are no extenuating circumstances, the Determination Regarding Responsibility will be issued by the College within ten (10) business days of the completion of the Hearing.

The Determination becomes final either on the date that the College provides the Parties with the result of any Appeal, if such Appeal is filed consistent with the procedures and timeline outlined in "Appeals," below, or if an Appeal is not filed, the date on which the opportunity to file an Appeal expires.

SANCTIONS

When a Respondent accepts or is found responsible for violating this Sexual Misconduct Policy, factors considered when determining a sanction/responsive action may include, but are not limited to:

- The nature of, severity of, and circumstances surrounding the violation(s)
- The Respondent's conduct history
- Previous allegations against or allegations involving similar conduct by the Respondent
- The impact on the Parties
- Any other information deemed relevant by the Hearing Panel

The sanctions will be implemented as soon as feasible, either upon the outcome of any Appeal or the expiration of the Appeal window. Possible sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed by external authorities.

The following sanctions may be imposed upon any member of the College community found to have violated the Sexual Misconduct Policy:

- Permanent separation
- Time-limited separation
- Deferred separation
- Performance improvement plan
- Loss of campus housing or other privileges
- Removal from organization, team and/or committee
- Revocation of leadership or supervisory position
- Disciplinary probation
- Community service or other work assignments
- Writing assignment
- External program attendance or facilitation
- Warning – Written or oral
- Revocation of degree
- Withholding of diploma and/or transcripts
- Prohibition from participation in Commencement and/or Senior Week activities

APPEALS

Each Party may appeal (1) the Dismissal of a Formal Complaint or any included allegations and/or (2) a Determination Regarding Responsibility. A Party must submit a written Appeal within five (5) business days of being notified of the Dismissal of a Formal Complaint or Determination Regarding Responsibility, indicating the grounds for the Appeal.

The grounds for Appeal are limited to:

- Procedural irregularity that affected the outcome of the matter (i.e., a failure to follow the College's own procedures).
- New evidence that was not reasonably available at the time the Determination Regarding Responsibility or dismissal was made, that could affect the outcome of the matter.
- The Title IX Coordinator, Investigator(s), or decision-maker(s) had a conflict of interest or bias for or against an individual Party, or for or against Complainants or Respondents in general, that affected the outcome of the matter.

The submission of an Appeal stays any sanctions for the pendency of the Appeal. Supportive Measures and remote learning opportunities remain available during the pendency of the Appeal.

If a Party appeals, the College will as soon as practicable notify the other Party in writing of the Appeal; however, the time for Appeal shall be offered equitably to all Parties and shall not be extended for any Party solely because the other Party filed an Appeal.

Appeals should be submitted in electronic form to the President of the College (of the campus on which the hearing was held).

The outcome of an Appeal will be provided in writing simultaneously to both Parties and will include the rationale for the decision. The Appeal decision is final, and no subsequent Appeals are permitted.

RETALIATION

The College will keep the identity of any individual who has made a report or complaint of Sexual Misconduct confidential, including the identity of any individual who has made a report or filed a Formal Complaint of Sexual Harassment under this Sexual Misconduct Policy, any Complainant, any individual who has been reported to be the perpetrator of Sexual Misconduct under this Policy, any Respondent, and any Witness, except as permitted by the FERPA statute, 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR Part 106, including the conduct of any Investigation, Hearing, or judicial proceeding under this Sexual Misconduct Policy.

No person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX of the Education Amendments of 1972 or its implementing regulations.

No person may intimidate, threaten, coerce, or discriminate against any individual because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an Investigation, proceeding or Hearing under this Sexual Misconduct Policy.

Any intimidation, threats, coercion, or discrimination, for the purpose of interfering with any right or privilege secured by Title IX or its implementing regulations, constitutes retaliation. This includes any charges filed against an individual for code of conduct violations that do not involve Sexual Misconduct under this Policy, but that arise from the same facts or circumstances as a report or complaint of Sexual Misconduct under this Policy.

RECORD RETENTION

The College shall retain for a period of seven years after the date of case closure: the official file relating to a formal resolution, including any Investigation, Hearing, Determination Regarding Responsibility, sanctioning, and/or Appeal processes involving allegations of Sexual Misconduct. In cases in which a Respondent was found to have violated the Policy and was separated from the College, the College may retain such official case files indefinitely.

APPENDIX I: RULES OF DECORUM FOR RESOLUTION PROCESS HEARINGS

PURPOSE OF THE RULES OF DECORUM

Title IX Hearings are not civil or criminal proceedings and are not designed to mimic formal trial proceedings. They are primarily educational in nature, and the U.S. Department of Education (“the Department”), writing about Title IX in the Final Rule, “purposefully designed these final regulations to allow recipients to retain flexibility to adopt rules of decorum that prohibit any party advisor or Hearing Panel Chair from questioning witnesses in an abusive, intimidating, or disrespectful manner.” 85 Fed. Reg. 30026, 30319 (May 19, 2020). The Department has determined that institutions “are in a better position than the Department to craft rules of decorum best suited to their educational environment” and build a hearing process that will reassure the Parties that the institution “is not throwing a party to the proverbial wolves.” Id.

To achieve this purpose, Colleges may provide for reasonable rules of order and decorum, which may be enforced through the removal of an Advisor who refuses to comply with the rules. Id., at 30320. As the Department explains, the removal process “incentivizes a party to work with an advisor of choice in a manner that complies with a

recipient’s rules that govern the conduct of a hearing, and incentivizes colleges and universities to appoint advisors who also will comply with such rules, so that hearings are conducted with respect for all participants.” Id.

At base, these Rules of Decorum require that all Parties, Advisors, and College staff treat others who are engaged in the process with respect.

The Rules of Decorum and processes set forth herein apply equally to all Parties and their Advisors regardless of sex, gender, or other protected class, and regardless of whether they are in the role of Complainant or Respondent.

RULES OF DECORUM

The following Rules of Decorum (“the Rules”) are to be observed in the Hearing and applied equally to the Parties (meaning the Complainant and Respondent) and Advisors:

1. Questions must be conveyed in a neutral tone.
2. Parties and Advisors will refer to other Parties, Witnesses, Advisors, and College staff using the name and gender used by the person and shall not intentionally mis-name or mis-gender that person in communication or questioning.
3. No Party may act abusively or disrespectfully during the Hearing toward any other Party or to Witnesses, Advisors, or Hearing Panel members.
4. The Advisor may not yell, scream, badger, or physically “lean in” to a Party or Witness’ personal space. Advisors may not approach the other Party or Witnesses without obtaining permission from the Hearing Panel Chair.
5. The Advisor may not use profanity or make ad hominem attacks upon a Party or Witness. Questions must be interrogative statements used to test knowledge or understand a fact; they may not include accusations within the text of the question.
6. The Advisor may not ask repetitive questions. When the Hearing Panel Chair determines a question has been “asked and answered” or is otherwise not relevant, the Advisor must move on.
7. Parties and Advisors may take no action at the Hearing that a reasonable person in the shoes of the affected Party would see as intended to intimidate that person (whether Party, Witness, or official) into not participating in the process or meaningfully modifying their participation in the process.

WARNING AND REMOVAL PROCESS

The Hearing Panel Chair shall have sole discretion to determine if the Rules have been violated. The Chair will notify the offending person of any violation of the Rules.

Upon a second or further violation of the Rules, the Hearing Panel Chair shall have discretion to remove the offending person or allow them to continue participating in the hearing or other part of the process.

Where the Chair removes a Party's Advisor, the Party may choose a different Advisor, or (in cases involving Title IX Sexual Harassment) accept an Advisor provided by the College for the limited purpose of questioning at the Hearing. Reasonable delays, including temporary adjournment of the Hearing, may be anticipated should an Advisor be removed. A Party cannot serve as their own Advisor in this circumstance.

The Hearing Panel Chair shall document any decision to remove an Advisor in the Determination Regarding Responsibility.

For flagrant, multiple, or continual violations of the Rules, in one or more proceedings, Advisors may be prohibited from participating in future proceedings at the College in the Advisor role, on a temporary or permanent basis. Evidence of violation(s) of the Rules will be gathered by the Title IX Coordinator and presented to the Dean of the College for proceedings involving students or to the Director of Human Resources for cases involving employees. The Advisor in question may provide an explanation or alternative evidence in writing to appeal the prohibition from participation. This appeal must be submitted to the appropriate Dean or Director within fifteen (15) calendar days of receipt. There shall be no right to a hearing, oral testimony, or questioning.

The Dean of the College or Director of Human Resources shall consider the evidence, using a preponderance of the evidence standard, and issue a finding in writing regarding removal. The finding shall be issued in writing to all Parties and Advisors (if there is a current case pending) within thirty (30) days, unless extended for good cause. There is no appeal of this finding.

RELEVANT QUESTIONS ASKED IN VIOLATION OF THE RULES OF DECORUM

Should an Advisor ask a relevant question in a manner that violates the Rules, such as yelling, screaming, badgering, or leaning-in to the Witness' or Party's personal space, the question will not be deemed irrelevant by the Hearing Panel Chair simply because of the manner in which it was delivered. Under that circumstance, the Hearing Panel Chair will notify the Advisor of the violation of the Rules, and, if the question is relevant, will allow the question to be re-asked in a respectful, non-abusive manner by the Advisor (or a replacement Advisor, should the Advisor be removed for violation of the Rules).

ALCOHOL, CONTROLLED SUBSTANCES AND WEAPONS

Haverford College complies with all federal, state and local laws—including those that regulate the manufacture, sale, purchase, transportation, possession, and use of alcoholic beverages, controlled substances and weapons. Regulations will be enforced by Campus Safety, the Haverford Township Police Department and the Lower Merion Township Police Department.

COMMONWEALTH LAW

Alcohol – state penalties and sanctions for illegal possession or other violations:

The Pennsylvania Liquor Code, 47 P.S. § 1-101 et seq., controls the possession and sale of alcoholic beverages within the Commonwealth. The code (in conjunction with portions of the Pennsylvania statutes pertaining to crimes and offenses involving minors, 18 Pa. C.S.A. § 6307 et seq.) provides as follows:

- a. It is a summary offense for a person under the age of 21 to attempt to purchase, purchases, consumes, possesses, or knowingly and intentionally transports any liquor or malt or brewed beverages. The penalty for a first (1st) offense is suspension of driving privileges for ninety (90) days, a fine up to \$500, and imprisonment for up to ninety (90) days; for a second (2nd) offense, suspension of driving privileges for one (1) year, a fine up to \$1000, and imprisonment for up to ninety (90) days; and for a subsequent offense, suspension of driving privileges for two (2) years, a fine up to \$1000, and imprisonment for up to ninety (90) days. Multiple sentences involving suspension of driving privileges must be served consecutively.
- b. It is a crime intentionally and knowingly to sell or intentionally and knowingly to furnish or to purchase with the intent to sell or furnish, any liquor or malt or brewed beverages to any minor (under the age of 21). “Furnish” means to supply, give, or provide to, or allow a minor to possess on premises or property owned or controlled by the person charged. The minimum fine for a first (1st) violation is \$1,000; \$2,500 for each subsequent violation; and imprisonment for up to one (1) year for any violation.
- c. It is a crime for any person under 21 years of age to possess an identification card falsely identifying that person as being 21 years of age or older, or to obtain or attempt to obtain liquor or malt or brewed beverages by using a false identification card. The penalty for a first (1st) offense is suspension of driving privileges for ninety (90) days, a fine up to \$500, and imprisonment for up to ninety (90) days; for a second (2nd) offense, suspension of driving privileges for one (1) year, a fine up to \$500, and imprisonment for up to one (1) year; and for a subsequent offense, suspension of driving privileges for two (2) years, a fine up to \$500, and imprisonment for up to one (1) year.
- d. It is a crime intentionally, knowingly, or recklessly to manufacture, make, alter, sell, or attempt to sell an identification card falsely representing the identity, birth date, or age of another. The fine is a minimum of \$1,000 for the first (1st) violation; for subsequent violations, the fine is a minimum of \$2,500; and imprisonment for up to two (2) years for any violation.
- e. It is a crime knowingly to misrepresent one’s age to obtain liquor. Penalties are as stated in (c) above.
- f. It is a crime for any person to appear in any public place manifestly under the influence of alcohol to the degree that she/he may endanger herself/ himself or other persons or property, or annoy persons in her/ his vicinity. The fine is up to \$500 for the first (1st) violation; for subsequent violations, the fine is up to \$1,000 and imprisonment for up to ninety (90) days for any violation.
- g. It is a crime knowingly, willfully, and falsely to represent that another is of legal age to obtain liquor or malt or brewed beverages. The penalty is a minimum fine of \$300 and imprisonment for up to one (1) year.
- h. It is a crime to hire, request, or induce any minor to purchase liquor or malt or brewed beverages. The penalty is a minimum fine of \$300 and imprisonment for up to one (1) year.
- i. Sales without a license or purchases from an unlicensed source of liquor or malt beverages are prohibited.

- j. It is unlawful to possess or transport liquor or alcohol within the Commonwealth unless it has been purchased from a Pennsylvania State Liquor Store or in accordance with Liquor Control Board regulations.
- k. Pennsylvania state law allows a driver to be considered intoxicated and charged with driving under the influence (DUI) if they have symptoms of intoxication and a blood-alcohol content (BAC) greater than 0.08 percent. A BAC of 0.08 percent can be obtained by consuming a little less than one (1) drink per hour. A driver will be charged with DUI if her/his BAC exceeds 0.08.
- l. Additionally, Pennsylvania state law penalizes public drunkenness and defines it as: “A person is guilty of a summary offense if he/she appears in any public place manifestly under the influence of alcohol to the degree he/she may endanger himself/herself or other persons or property, or annoy persons in his/her vicinity.” It is also a violation to be found in a drunken or intoxicated condition under circumstances tending to disturb the neighborhood or to cause a breach of the public peace.

THE ALCOHOL POLICY

There are numerous sections of the Crime Code of the Commonwealth of Pennsylvania that deal with intoxicating liquor. An increasing public concern about alcohol abuse and alcohol-related injuries has been followed by a developing body of case law that has extended the liabilities of vendors to non-commercial or “social” hosts on whose premises alcohol is served to minors or intoxicated persons of any age. The Haverford College Policy of Drug-Free Schools, adopted in compliance with federal requirements, forbids the unlawful possession, use of, or distribution of illicit drugs or alcohol. Mindful of legal obligations, Haverford College has developed a policy that seeks to achieve the following goals:

GOALS OF THE ALCOHOL POLICY

To remind students of the laws of the Commonwealth of Pennsylvania and of the Honor Code, all of which should govern their behavior with respect to alcohol. Students are entrusted to hold themselves to high standards of conduct, such as concern for the safety of themselves and others, and respect for others’ decisions concerning alcohol and other controlled substances, so long as these decisions are not in violation of the Policy;

To stress moderation, safety, and individual accountability for those who choose to drink.

To maintain a respectful social atmosphere that is free of coercion for those who choose to drink, and those who choose not to drink and a climate in which alcohol is not the center of parties or other social events;

To maintain a community in which alcohol abuse and its effects are minimal;

To promote an ethos in our community that promotes affirmative consent and holds every individual accountable for their actions, with the understanding that sexual misconduct includes any instance where a participant is inebriated;

To create and promote a social culture that is actively vigilant for any signs of sexual misconduct, especially when alcohol is involved;

To promote a social culture that empowers members of the community to prevent the perpetuation of rape culture and prepares them to interrupt or stop acts of sexual violence or sexual misconduct, including when explicit and uncoerced consent cannot be given. One can find definitions of sexual violence, sexual misconduct, rape culture, and consent in these two links:

haverford.edu/sexual-misconduct/what-sexual-misconduct-wavaw.ca/what-is-rape-culture/

To provide confidential and effective guidance for those with specific needs related to alcohol use and alcoholism;

To establish the composition and responsibilities of the Joint Student-Administration Alcohol Policy Panel (JSAAPP); and

To provide information and education about the effects of alcohol for all its students with the expectation that each student reads the policy on their own.

All members of the community are expected to be familiar with and abide by the Alcohol Policy. It is the duty of all students to conduct themselves in a manner consistent with the Honor Code and the Alcohol Policy and to help others to do the same. With regard to the consumption of alcohol, it is recognized that students are responsible for their own well-being, as well as the well-being of others. Thus, behavior that puts lives at risk, in terms of mental and physical health and legal liability, cannot be condoned.

THE POLICY

ARTICLE I

Students have the responsibility to confront others whose behavior under the influence of alcohol is inconsistent with the welfare of themselves and others in the community, as well as the responsibility to call upon administration and JSAAPP when feeling that alcohol has caused peers to act in violation of the policy. Such behavior includes, but is not limited to, mental/verbal violence, physical violence, sexual violence, and sexual misconduct. This also includes, but is not limited to, any racist, sexist, homophobic, and transphobic behavior or language. When community members lose their ability to

reason and control their actions due to excessive alcohol consumption, it is threatening to them, to those around them, and ultimately to the community as a whole. Students are responsible for preventing themselves and others from ever reaching that point—and thus should take the necessary steps to do so. Inebriation shall not be seen as an acceptable or justifiable excuse for disruptive behavior and confrontation for such behavior shall be dealt with as prescribed by the Honor Code.

ARTICLE II

Any infractions of Article II will fall under the jurisdiction of Honor Council and JSAAPP. Students have the responsibility to preserve the natural integrity of the campus and therefore to maintain the good condition of the College by preventing any instances of destruction, defacement, littering, and other offenses that can occur as results of alcohol consumption. Events that involve the consumption of alcohol can often lead to the scattering of cups, broken glass, and other waste that affects the condition of the grounds and the safety of the students. In addition, excessive consumption of alcohol can lead to the defacement and vandalism of campus buildings by community members. Students have the responsibility for preventing and resolving these issues in the interest of student safety and the College's ecological and aesthetic environment.

ARTICLE III

Events: Since the majority of the students are under twenty-one, the legal drinking age in the Commonwealth of Pennsylvania, alcoholic beverages are not to be served or consumed at student events open to and/or advertised in the college, bi-college, or tri-college communities with the exemption of special events that have been approved by JSAAPP. In order to receive permission for an aforementioned "special event," the event coordinators must first submit a proposal for the event to JSAAPP, by emailing jsaapp@haverford.edu. These events must meet the following criteria in order to be considered:

The event may only take place in Lunt Basement and James House.

The event must be aimed towards promoting the fine or performing arts, campus community, or diversity and inclusion.

The event organizers plan the event with the aim of promoting the goals of the Alcohol Policy in mind—stressing moderation, safety, and individual accountability for those who choose to drink and providing a positive drinking atmosphere in which alcohol is not the center of the event. Additionally, online discussions relating to the presence of alcohol at an event are highly discouraged.

Alcohol may not be served at the event if the event coincides with Prospective Student Weekend.

If the event organizers wish to organize a series of events, they can apply once at the beginning of the semester for all the events that semester, given JSAAPP approval.

Private Parties: Outside of approved special events, alcoholic beverages may be consumed only in private spaces or reserved registered party spaces. A private space is defined as a student residence or an outdoor area, such as a stoop, porch, or yard that is immediately adjacent to a student residence. The College recommends students not consume alcoholic beverages outdoors on College grounds, hallways or stairwells. Furthermore, alcoholic beverages may only be served in indoor private spaces or adjacent areas. Serving or consuming alcohol on athletic fields used by any College team or outside group is prohibited, in compliance with NCAA regulations.

Alcoholic beverages may neither be served nor consumed in public spaces such as, but not limited to, Founders Great Hall and Common Room, the Dining Center, all classroom and laboratory buildings, all libraries, any athletic fields used by any College team or outside group, and any space not defined as a private space without the express written permission of the President of the College.

The guidelines apply to all students, including those twenty-one years of age or older.

If drinking, students should work to curtail behaviors that may pose a hazard to the comfort and safety of party or event guests, other occupants of the dormitory, and themselves, including, but not limited to, creating excessive noise and/or blocking corridors, stairwells, or doorways, mental/verbal violence, physical violence, sexual violence, and sexual misconduct.

As is the case with JSAAPP approved special events, all private parties must not advertise the presence of alcohol.

ARTICLE IV

JSAAPP is composed of two Co-Heads, elected for the entire year, one member of Honor Council, and one member of the Gender Resources and Sexual Education (GRASE) Center who are appointed by their respective bodies at the beginning of each semester; one student representative from the Office of the Dean of the College or the Dean themselves. The election of the JSAAPP Co-Heads will follow the procedures set forth in Section 5.08 of the Constitution of the Haverford College Students' Association (entitled "Nomination and Election of the Students' Council").

Communicative Responsibilities of JSAAPP include:

No later than one month before the first day of class of a given academic year, Co-Heads of JSAAPP shall reach out to the Dean of the College and Customs Co-Heads via email. This email should contain a formal introduction requesting a meeting with these individuals to take place during or before customs week. The purpose of this

meeting is to set up a mandatory presentation to all first year students (8).

JSAAPP Co-Heads shall move into their Haverford residential spaces prior to the end of customs in order to accommodate the presentation mentioned above.

No later than two weeks before the first day of class of a given academic semester, Co-Heads of JSAAPP shall reach out to the Head of Campus Safety via email. This email shall contain a formal introduction requesting an in-person meeting with the Head of Campus Safety.

No later than two weeks after the first day of class of a given academic year, Co-Heads of JSAAPP shall send an introductory email to the entire Haverford student body (Copying the Dean of the College), containing the following information:

Both of their names and email addresses, resource of jsaapp@haverford.edu for any pressing concerns with respect to the Alcohol Policy;

A link to the current alcohol policy, as ratified in the previous academic year;

A proclamation that all students of the college must read aforementioned alcohol policy in its entirety; and

A statement that JSAAPP is available to provide information about alcohol education, Campus Safety, and available, alcohol related resources.

No later than two weeks after the first day of class of a given academic semester, Co-Heads of JSAAPP shall reach out to the Honor Council, GRASE, and the Dean's Office, requesting appointments from their respective organizations to JSAAPP.

JSAAPP Customs Presentations shall take place during customs week and first year attendance shall be mandatory. These presentations must be given by the JSAAPP

Co-Heads, one or more Campus Safety officers, one or more GRASE representatives, and other experts as determined through collaboration between JSAAPP and the Dean's Office staff responsible for Customs. This presentation should include, but may not be limited to:

Briefly outlining the alcohol policy, with a special emphasis on a culture of vigilance and concern for peers who may be in danger of alcohol poisoning;

Information on how to take care of and seek help for individuals in danger of alcohol poisoning;

Alcohol Education spanning definitions of a standard drink, binge drinking, alcohol abuse, etc; and

Resources relating to any alcohol and/or substance consumption/abuse including but limited to Campus Safety and Substance Abuse Counselors.

Students should confront those in violation of the alcohol policy. If this confrontation does not or cannot lead to the satisfactory resolution of a problem, the confronting party must bring the matter to the attention of JSAAPP. JSAAPP can serve as a mediator between confronted and confronting parties. If deemed necessary by the JSAAPP Co-Heads, a meeting of JSAAPP will be called to settle the matter, to determine whether a case should be resolved through JSAAPP itself, Honor Council, GRASE, the Dean's Office, or a Substance Abuse Counselor. Flagrant or repeated violations of the Alcohol Policy may result in separation or exclusion of the confronted person(s) from the College.

JSAAPP proceedings shall occur under the following circumstances:

Semesterly and before Plenary, the entirety of JSAAPP shall convene to discuss the state of the alcohol policy. This meeting's purpose is to allow the groups represented in JSAAPP to express concerns related to the alcohol policy, and about alcohol use on campus, as well as to inform these groups of the policy's goals and mechanisms.

Monthly meetings between JSAAPP Co-Heads and the Dean of the college. These meetings exist to discuss the state of the alcohol policy on campus, and advise the Dean on supplementary actions that promote the effectiveness of the alcohol policy in achieving its goals.

ARTICLE V

It is expected that hosts will inform their guests of relevant provisions of the Honor Code and the Alcohol Policy. Should the provisions of the Alcohol Policy be violated by non-College members, their continued access to this campus may be restricted.

Faculty and staff members who entertain students should be aware of the responsibilities and risks to the College and to themselves as individual social hosts under the laws of the Commonwealth of Pennsylvania.

If the Party Guidelines are not followed either by guests or hosts, it is the obligation of students aware of the violation to approach those in violation and seek a resolution.

ARTICLE VI

As with the Honor Code, the students of the community need to reaffirm their commitment to the Alcohol Policy to demonstrate that they accept both the freedom and privileges regarding alcohol consumption and the responsibilities that it entails. The Policy shall be re-ratified every year, and it may be amended at any Plenary. Amendments to the Policy may be proposed by any member of the Students' Association. Amendments will be passed by a two-thirds vote of the total attendance at Plenary. A two-thirds majority vote of those at Plenary shall be necessary for final ratification of the entire Policy. The final text of the Policy shall be immediately forwarded to the President and Dean of the College for presentation to and approval by the Board of Managers.

Health Center at (610) 896-1089 or **CAPS** at (484) 301-0434 for counseling and subsequent referral.

DISCIPLINARY POLICIES

Any student who fails to comply with local, state or federal laws may be subject to discipline under the Honor Code. Sanctions can include, but are not limited to, a, disciplinary probation, and withdrawal of privileges, suspension, and expulsion. When a student's presence on campus is considered a threat to order, health or safety, the Dean or a designee may impose a mandatory leave of absence or conditions on the student's attendance.

For additional information about alcohol and other drugs, including resources available to Haverford students and the effects of alcohol and drug use, see: www.haverford.edu/health-services/resources#drugs-and-alcohol

DRUG POLICY

It has also become increasingly evident that the routes to assistance for students with drug-related problems at Haverford and Bryn Mawr Colleges are unclear and often misunderstood. This document attempts to clarify the kinds of resources available in the bi-college community, as well as to define the Colleges' policy on drugs. The Colleges are neither law enforcement agencies nor sanctuaries from the larger society and its laws. The drug policy, therefore, in conjunction with planned educational activities and support services, is designed to achieve the following goals:

1. To remind students that the Social Honor Codes, the federal laws and the laws of the Commonwealth of Pennsylvania do apply to their behavior with respect to the use of drugs;
2. To stress individual accountability for those who choose to use illegal drugs;
3. To maintain a bi-college community where the harmful effects of drug use can be minimized;
4. To inform the members of the bi-college community of the availability of confidential and effective guidance and resources for those with questions and concerns related to drug use, dependence and abuse;
5. To encourage all members of the bi-college community to become familiar with the physiological, psychological and legal aspects of drug use, dependence and abuse.

All members of the bi-college community are expected to be familiar with and abide by the principles of the Drug

Policy. This policy stresses prevention and concern; it charges the community with the responsibility for drug education, intervention and heightened awareness of campus resources for dealing with drug problems. It also asks us to consider the relationship between the individual and the community, and the question of responsibility to one's peers. In many cases, choosing not to intervene in another person's abuse of drugs is not a neutral position. By not interfering, we become "an enabler". In claiming to allow abusers their individual freedom of choice, we may in fact be limiting their choices by reinforcing their attitudes and behavior. In summary, we have a responsibility not to withdraw from the community either by abusing drugs or by ignoring the abuse of drugs.

Pennsylvania State Law Narcotics violations are felonies under Pennsylvania law, and the penalties are severe. Pennsylvania's version of the Uniform Controlled Substance Act (a model act which the various states have incorporated into their own codes under different names) is called the "Controlled Substance, Drug, Device and Cosmetic Act". It was originally passed in 1972 and subsequently amended.

The Act, 35 PaC.S. 780 101 et seq., has a schedule of controlled substances and prohibits the sale, use, possession, administering, making, concealing, giving and delivering of the named controlled substances. The Act includes as prohibited and controlled substances marijuana, hashish, cocaine, heroin, opiates, PCP, LSD and other psychedelics, amphetamines, tranquilizers and virtually any form of "street drug". Copies of this act are available at the Reserve Desk of Canaday and Magill Libraries, and in the Dean's Offices of Bryn Mawr and Haverford Colleges.

THE POLICY

1. The illegal possession, use, sale, or distribution of drugs is in violation of the law, and the Colleges will not protect students from prosecution under federal, state, or local law.
2. Students have the responsibility to confront and/or intervene on the behalf of individuals whose use of drugs or actions under the influence of drugs presents a danger to themselves and/or to the community at large.
3. The Colleges as educational institutions, being concerned about the harmful effects of the illegal use, possession, sale, or distribution of drugs on the individual, and on the integrity, safety and security of this academic community, do not condone the illegal use, possession, sale, or distribution of drugs. The administrations of Haverford and Bryn Mawr Colleges reserve the right to act when they have reason to believe that involvement with drugs is having an adverse effect upon the life and/or academic performance of students or adversely affects or legally implicates others in the academic community. College action may take such forms as education, counseling, referral to outside agencies, separation, or exclusion, depending on the situation.

PROCEDURES

A student's response to a violation of the bi-college drug policy should be governed, first of all, by the care and concern for other individuals which are embodied in the Social Honor Codes. The following guidelines are not meant to cover all situations. They are intended, instead, to remind students of the variety of resources available and to reassure them about the consequences of seeking help. When a student is concerned about another student's drug use and its self-destructive potential, he or she should express his or her concern and, if appropriate, encourage that student to seek confidential help from one of the counselors, nurses, or physicians on either campus or from a professional off-campus. If confrontation does not seem appropriate or proves ineffective, the concerned individuals should turn to one of the peer educators, a counselor, or dean for advice on how to intervene and help. Advice may be sought without revealing the identity of the student needing help, if that seems best. If a student's behavior as a result of drug use has disturbed or harmed other individuals or the community in a more general sense, the behavior itself should be dealt with through the usual Honor Code procedure at the appropriate college, beginning with confrontation. If mediation is necessary, the members of the Bryn Mawr Honor Board or the Haverford Honor Council should be consulted. The drug use which may have caused the behavior should not be viewed as an excuse, but as a second problem for which the individual may be encouraged to seek help from a professional counselor. In cases where the Honor Council or Board is asked to intervene, they will deal with the specific behavior which has been brought to them and may recommend that the individual go to a counselor for evaluation and help with any underlying substance abuse. Problems with behavior related to drug use which involve Bryn Mawr graduate students or special students who are not bound by the social Honor Code should be referred to the Dean of the Graduate School or the Director of the Division of Special Academic Programs if they cannot be resolved by the individual concerned. If an individual's involvement with drugs is such that it, or behavior associated with it, is violent or life-threatening, it should be brought to the attention of a dean or college physician without delay by any member of the community who becomes aware of the situation. Thus, a counselor, peer educator, dean, physician or an Honor Board/Council member who was working with a student or any aspect of his or her involvement with drugs would, as in any other life-threatening situation, feel bound to report the problem to the Dean of the appropriate college when the potential for violence or loss of life requires immediate administrative action. Some cases, such as drug sale and distribution, may not present immediate danger to life but may have legal implications which are administrative concerns. In these situations, joint action by the Dean and the Honor Board/Council may be necessary.

POLICY ON DRUG-FREE SCHOOLS

THE DRUG-FREE SCHOOLS AND COMMUNITIES ACT OF 1989

In 1989, the federal government adopted the **Drug-Free Schools and Communities Act**. As a condition of receiving federal grants, the College must certify that it is in compliance with this law. A person of 18 years of age or older who is convicted in any court of the Commonwealth of Pennsylvania of a violation of the Controlled Substance, Drug, Device and Cosmetic Act, shall, if the **delivery or possession with the intent to deliver** the controlled substance occurred within 1,000 feet of a public, private, or parochial school or a **college or university** or within 250 feet of the real property on which is located a recreation center or playground or on a school bus shall be sentenced to a minimum sentence of at least two years of total confinement (up to four years).

The unlawful possession, use, or distribution of illicit drugs or alcohol poses a threat to the health and safety of all members of the Haverford College community and is not permitted.

The sanctions for the unlawful possession, use, or distribution of illicit drugs and alcohol are defined in the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act (35 Pa. C.S. Sections 780-101 to 780-144); the Pennsylvania Crimes Code (18 Pa. C.S. Sections 6307-6314); Controlled Substances Forfeitures (42 Pa. C.S. Sections 6801-6802); the Pennsylvania Motor Vehicle Code (75 Pa. C.S. Sections 1546-1547; 3715, 3731); the Haverford Township Code (Article II, Sections 126-14 and 126-17); and the Lower Merion Code (Article IV, Section 111-4).

The College's policies on disciplinary sanctions for students, faculty and staff members unlawfully possessing, using, or distributing illicit drugs or alcohol are stated in the appropriate handbooks.

This policy is instituted effective immediately, to comply with the Drug Free Schools and Communities Act of 1989 (P.L. #101-226). No institution will receive federal financial assistance of any kind after October 1, 1990, unless it has certified that it has "adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees."

The College will conduct a biennial review of its program to determine its effectiveness, implement needed changes, and ensure that it is consistently enforced.

EMPLOYEE DRUG AND ALCOHOL POLICY

The College has instituted this policy, and implemented programs, in compliance with the federal **Drug-Free Workplace Act of 1988**, which has been in effect since March 18, 1989. The aim of this policy is to ensure a safe, drug and alcohol-free environment for the Haverford College community.

HEALTH RISKS

Health, safety, and well-being are potentially jeopardized whenever an employee possesses, uses, or is under the influence of drugs or alcohol while on the College's property, in its vehicles, or engaged in College activities. Both judgment and productivity can be adversely affected; a wide range of serious illnesses and injuries may result from use of drugs and/or alcohol.

Drugs can interfere with important brain activities including coordination, memory, and learning. They increase the risk of lung cancer, destroy liver cells, initiate severe weight loss, and may weaken the immune system. Users may also experience abdominal pain, nausea, vomiting, rapid heartbeat, and irregular breathing. Convulsions, coma, and death are also possible. Combining drugs can be fatal.

Alcohol is a central nervous system depressant that is absorbed into the bloodstream and transmitted to all parts of the body. Moderate doses reduce physical coordination and mental alertness while larger doses of alcohol drastically impair an individual's ability to function, sometimes rendering them unconscious. Long-term drinking can increase the risk of developing liver and heart disease, circulatory and stomach problems, various forms of cancer and causes irreversible brain damage.

STANDARDS OF CONDUCT

The College prohibits, while on College property or as part of any College activity:

- the unlawful use or misuse of alcohol
- the unlawful use, possession, dispensation, distribution, or manufacture of controlled substances, as defined in federal statutes
- being under the influence of a controlled substance, as defined in federal statutes

Coming to work, working, or attempting to work under the influence of alcohol or a controlled substance is strictly prohibited. Engaging in any activity—whether on or off the job—that involves an unlawful controlled substance is a violation of this policy.

Generally, this policy does not prohibit employees from the lawful use and possession of prescribed or over-the-counter medications. Employees must, however, consult with their medical providers about the effect of any medication

being used on their fitness for duty and ability to work or work safely, and they must promptly disclose any work restrictions to human resources. Where possible, the College may alter an employee's work assignment, make other work arrangements, or otherwise reasonably accommodate use while the employee is taking the medication.

The College complies with the Pennsylvania Medical Marijuana Act. Under that law, the use of marijuana is legal for certain limited medicinal purposes but remains illegal under federal law. While the College will not discriminate or retaliate against an individual based solely on the person's status as an individual certified under state law to use medical marijuana, the possession, use, or being under the influence of medical marijuana on the premises (excluding private residences on the College campus) or in the workplace, as well as working under the influence when conduct falls below the standard normally accepted by the College for the job, are strictly prohibited.

LEGAL SANCTIONS

The legal sanctions for the unlawful possession, use, or distribution of illicit drugs are different than the sanctions governing alcohol. They may vary from fines for first-time misdemeanor offenses involving simple possession of certain substances to felony counts and multiple-year terms of imprisonment for more serious violations.

The unlawful possession of less than 30 grams of marijuana or less than eight grams of hashish, for example, is a misdemeanor and may carry a maximum jail sentence of 30 days and/or a fine of \$500. The manufacture, delivery or possession with intent to manufacture or deliver heroin and other narcotics is a felony and carries a maximum jail sentence of 15 years and/or \$250,000 fine.

A more complete summary of penalties related to alcohol and illicit drugs may be found online at the U.S. Drug Enforcement Administration and the Pennsylvania Liquor Control Board.

(These legal sanctions are in effect in the Commonwealth of Pennsylvania as of July 2010.)

COUNSELING AND TREATMENT PROGRAMS

Individuals who voluntarily wish to seek referral for counseling concerning, or treatment of, substance abuse problems are encouraged to consult with the College's Health Services or Psychological Services Offices, or to contact any of the following organizations for assistance:

- Carebridge
- Independence Blue Cross
- Alcoholics Anonymous
- Rehab After Work

- Substance Abuse and Mental Health Services Administration

An employee's decision to seek counseling will not excuse appropriate disciplinary action for violation of this or other College policies. The Office of Human Resources will consider requests for unpaid leaves of absence of up to one month for employees who are seeking residential treatment for substance abuse problems.

DISCIPLINARY ACTION

Violations of this policy may result in discipline, up to and including termination of employment, even for a first offense. Violations may also be reported to appropriate legal authorities. Information about the legal sanctions associated with the unlawful use, possession, distribution, dispensation, and/or manufacture of a controlled substance is contained in summaries of federal and state law available in the Office of Human Resources.

Any supervisor who suspects that a violation of this policy has occurred should consult with the Office of Human Resources to determine the appropriate action to be taken. Such action may include:

- directing the employee to the Employee Assistance Program (EAP) for counseling and subsequent referral and/or
- imposing discipline, up to and including termination, depending upon the relevant circumstances.

In cases where possession, dispensation, distribution, or manufacture is suspected, the Campus Safety Department should be contacted concerning the possible need for a formal investigation. The College also reserves the right to require that an employee submit to substance abuse/ alcohol testing as a condition of continued employment.

Pursuant to federal law, the College will take one of the following actions within 30 days of receiving notice that an employee has been convicted under any criminal drug statute for a workplace violation:

- Appropriate personnel action, up to and including termination, or
- Requiring that such employee participate satisfactorily in a drug-abuse assistance or rehabilitation program.

In addition, employees are required, as a condition of employment, to abide by this policy and inform the College within five days if they are convicted of a drug violation. Such convictions must be reported by the College to any appropriate federal contractor or grantor within ten days.

STATE AND FEDERAL SANCTIONS

The following is a summary description of the legal sanctions under state and federal law for the unlawful possession or distribution of illicit drugs and alcohol.

1. **Drugs** – state penalties and sanctions for illegal possession, sale, or delivery of a controlled substance:

a. The Controlled Substance, Drug, Device and Cosmetic Act, 35 P.S. § 780-101 et seq. sets up five schedules of controlled substances based on potential for abuse, dangerousness, and medical uses. The act prohibits, among other things, the manufacture, distribution, sale, or acquisition by misrepresentation or forgery of controlled substances except in accordance with the act, as well as the knowing possession of controlled substances unlawfully acquired. Penalties for first-time violators of the act range from thirty (30) days imprisonment, a \$500 fine, or both, for possession or of a small amount of marijuana to fifteen (15) years imprisonment, a \$250,000 fine, or both, for the manufacture or delivery of a schedule I or II narcotic.

Fines and terms of imprisonment may be doubled under certain circumstances, including the distribution of a controlled substance to a person under 18 years of age or a conviction for a second or subsequent offense.

b. 18 Pa. C.S. §§ 6314, 6317. A person over 18 years of age who is convicted for violating the Controlled Substance, Drug, Device and Cosmetic Act shall be sentenced to a minimum of at least one (1) year total confinement if the delivery or possession with intent to deliver of the controlled substance was to a minor. If the offense is committed within 1,000 feet of the real property on which is located a public, private, or parochial school or a college or university or within 250 feet of the real property on which is located a recreation center or playground or on a school bus (“drug free school zones”), the person shall be sentenced to an additional minimum sentence of at least two (2) years total confinement. Such offenses not involving minors in drug- free school zones are subject to a mandatory minimum of two (2) years of total confinement.

c. The Pharmacy Act of 1961, 63 P.S. § 390-8 prohibits, among other things, procuring or attempting to procure drugs by fraud, deceit, misrepresentation, or subterfuge or by forgery or alteration of a prescription. The first offense is a misdemeanor, with a maximum penalty of one (1) year of imprisonment, a \$5,000 fine, or both. For each subsequent offense, the maximum penalty is three (3) years of imprisonment, a \$15,000 fine, or both.

d. The Vehicle Code, 75 Pa. C.S. § 3802 et seq. prohibits driving, operating, or being in actual physical control of the movement of a vehicle while under the influence of alcohol or a controlled substance, or both, if the driver is thereby rendered incapable of safely driving, operating, or being in actual physical control of the movement of the vehicle or if the alcohol concentration in the individual's blood or breath exceeds the stated limits. Penalties for first-time violators of the act range from a mandatory term of six (6) months' probation, a \$300 fine, or both, to a maximum of seventy-two (72) hours' imprisonment, a \$5,000 fine, or both. Penalties for subsequent violations increase to a maximum of not less than one (1) year imprisonment, a \$10,000 fine, or both. In addition to the above penalties, the court has discretion to order any or all of the following: highway safety training, drug or alcohol treatment, community service, attendance at a victim-impact panel, use of an ignition interlock device, and/or suspension of operating privileges.

2. Drugs – federal penalties and sanctions for illegal possession or trafficking of a controlled substance:

a. 21 U.S.C.S. § 844(a). For the first conviction: up to one (1) year of imprisonment and fine of at least \$1,000, or both. After one (1) prior drug conviction: at least fifteen (15) days' imprisonment, not to exceed two (2) years, and fine of at least \$2,500. After two (2) or more prior drug convictions: At least ninety (90) days' imprisonment, not to exceed three (3) years, and fine of at least \$5,000.

The special sentencing provisions for possession of flunitrazepam (the "date rape drug") include imprisonment not to exceed three (3) years and fine of at least \$1,000.

In addition to the above penalties, the court has discretion, upon conviction, to order a fine in the amount of the reasonable costs of the investigation and prosecution of the offense.

b. 21 U.S.C.S. §§ 853(a) and 881(a). This statute allows for the forfeiture of personal and real property used, or intended to be used, to possess or to facilitate possession of a controlled substance if that offense is punishable by more than one (1) year of imprisonment.

Additionally, this allows for the forfeiture of money, controlled substances, drug paraphernalia, firearms, books and records, vehicles, boats, aircraft or any other conveyance used, or intended to be used, to transport or facilitate the transportation, sale, receipt, possession, or concealment of a controlled substance or any raw materials, products, or equipment of any kind which are used, or intended

for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled substance.

c. 20 U.S.C.S. § 1091(r). A student who has been convicted of any offense under any federal or state law involving the possession or sale of a controlled substance for conduct that occurred during a period of enrollment for which the student was receiving any grant, loan, or work assistance under federal law, shall not be eligible to receive any grant, loan, or work assistance during the period beginning on the date of such conviction and ending after the interval specified as follows. If convicted of an offense involving the possession of a controlled substance: first (1st) offense, the student is ineligible for one (1) year; second (2nd) offense, the student is ineligible for two (2) years; third (3rd) offense, the student is ineligible indefinitely. If convicted of an offense involving the sale of a controlled substance, the penalty for the first (1st) offense is an ineligibility period of two (2) years; the penalty for a second (2nd) offense is ineligibility for an indefinite period.

A student whose eligibility has been suspended under the above paragraph may resume eligibility before the end of the ineligibility period if (a) the student satisfactorily completes a drug rehabilitation program that (i) complies with such criteria as prescribed by regulations and (ii) includes two (2) unannounced drug tests; (b) the student successfully passes two (2) unannounced drug tests conducted by a drug rehabilitation program that complies with such criteria as prescribed by regulations; or (c) the conviction is reversed, set aside, or otherwise rendered not valid.

d. 21 U.S.C.S. § 862. The following penalties are for possession of a controlled substance. Penalties are increased for trafficking. Denial of federal benefits, such as grants, contracts, loans, and professional and commercial licenses, up to one (1) year for the first (1st) offense and up to five (5) years for the second (2nd) and subsequent offenses

e. 18 U.S.C.S. § 922(g). Under this statute, one who is an unlawful user of, or addicted to, controlled substances is ineligible to own or possess firearms or ammunition.

f. Miscellaneous statutes. Revocation of certain federal licenses and benefits, e.g., pilot licenses, public housing tenancy, etc., are vested within the authorities of individual federal agencies.

Pennsylvania law imposes “social host” liability on persons who furnish alcohol to individuals under 21 years of age. The Pennsylvania Crimes Code defines “furnish” as “to supply, give, or provide to, or allow a minor to possess on the premises or property owned or controlled by the person charged.”

WEAPONS POLICY

The College expressly prohibits the possession, use or distribution of fireworks, explosives, ammunition, firearms, and other weapons such as knives and swords. The College defines firearms as any projectile firing device, especially those that are capable of causing harm to persons or damage to property. This includes but is not limited to conventional firearms (devices using gunpowder), all types of air rifles, BB, pellet and dart guns, any slingshot devices, Tasers or stun guns.

No knives of any kind, with the exception of knives specifically designated for preparing meals, are allowed on campus. This exception applies only for students off the full meal plan, who also live in one of the residential buildings with a kitchen (HCA, 710 College Ave, and the Ira Reid House).

WEAPONS LAW VIOLATIONS

The violation of laws or ordinances prohibiting the: Manufacture, Sale, Purchase, Transportation, Possession, Concealment, or Use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons. This classification encompasses weapons offenses that are regulatory in nature. Agencies must include:

- Manufacture, sale, or possession of deadly weapons;
- Carrying deadly weapons, concealed or openly;
- Using, manufacturing, etc. of silencers;
- Furnishing deadly weapons to minors;
- Aliens possessing deadly weapons; and
- Attempts to commit any of the above.

It is a second-degree felony for a person prohibited from carrying a weapon to do so. Penalties include a fine of up to \$25,000, up to ten years in prison, or both. (18 Penn. Stat. and Con. Stat. § 6105.)

It is a misdemeanor in the first degree to carry a firearm into a court facility. Penalties include a fine of up to \$10,000, up to five years in prison, or both. (18 Penn. Rev. Stat. and Con. Stats. § 913.)

HAVERFORD COLLEGE

**2023 ANNUAL
FIRE SAFETY REPORT**

IN CASE OF FIRE:

- **ALERT THE RESIDENTS**
- **EVACUATE THE BUILDING**
- **CALL CAMPUS SAFETY
(610) 896-1111**

ANNUAL FIRE SAFETY REPORT

FIRE SAFETY

Fire safety is a major concern of the Campus Safety Department and affects all members of the Haverford community. Each residence hall is equipped with automatic smoke detection systems that report to the Campus Safety Office. In addition, each student's room is equipped with a single station smoke detector. All Haverford College residence halls and Haverford College Apartments are equipped with automatic fire sprinkler systems. Fire sprinklers provide the highest level of life safety protection available. Fire Exit Drills are conducted in each residence hall so that students become familiar with proper building evacuation procedures. The Campus Safety Department employs student Dorm Monitors. The Dorm Monitors conduct weekly inspections of residence halls to check for any fire, safety, or security hazards.

FIRE ALARMS

It is a violation of the Haverford Township Fire Code and College Policy to interfere with the operation of any fire alarm system. This includes covering or otherwise preventing the proper operation of any smoke detector or fire alarm system.

FIRE PREVENTION

Effective fire prevention occurs only when individuals are aware of the principal causes of fires and take certain simple steps to eliminate them.

For residents' safety, individual rooms are equipped with electrically powered, individual single-station smoke detectors with 9-volt battery backup. If a detector is chirping, it needs a new battery. Batteries are available from Campus Safety anytime. Batteries may be obtained from Campus Safety after business hours. All public spaces in residence halls are equipped with smoke detectors and manual-pull stations, both of which set off the building alarms. These directly alert Campus Safety

of the emergency. If the alarm in a student's room is triggered, the building alarms will not activate until either the student uses the pull-station or the smoke from the student's room activates a smoke alarm in the public halls.

CAUSE OF FIRES

Fire can exist wherever there are combustible materials and some means of bringing them to kindling temperature. Some of the most common causes of fires at college fires include candles, careless smokers, over-burdened electrical outlets, cooking in dorm rooms, halogen lamps, exposed light bulbs, cigarettes, overloaded extension cords and smoking in bed. At Haverford College, the burning of candles, use of halogen lamps and large electrical appliances are prohibited in College housing.

The use of illegal hot plates, large refrigerators (in dorms without kitchens), and other major electrical appliances can easily overload the electrical system. Only safe, low-wattage appliances may be used in College housing: shavers, lamps, radios, televisions, stereos, computers, electric blankets, thermostatically controlled coffee makers and the like.

Halogen lamps are not allowed. These lamps and exposed light bulbs have been a source of serious fires. Another source of fires has been overloaded electrical outlets caused by using extension cords or gang electrical strips. Students should never crush plugs or wires against electrical outlets with beds or other furnishings.

FIRE EXIT DRILLS

Fire Exit Drills are supervised and conducted by the Safety Coordinator and Campus Safety Officers once per semester. The fire drills are announced so that students can plan on participating in the drills. This gives the opportunity for students to become familiar with the sound of the fire alarm horn/strobes and to become familiar with two means of egress from the building. Additionally, one student is asked to be a monitor during the drill. The monitor is asked what steps they would take in the event of a fire in their residence hall and is asked to activate the building alarm system for the drill.

STUDENT HOUSING FIRE ALARM AND SUPPRESSION SYSTEMS

Each student sleeping area is equipped with a 120-volt single station smoke detector (with 9-volt battery back-up). This smoke detector stands alone from the building fire alarm system. Its' purpose is to provide students early warning in the event of a smoke condition in their room.

Residence halls also have common area automatic smoke detection and manual pull stations. Common areas are defined as attics, hallways, suites halls, stairways, living rooms and basements. An activation of this fire alarm system immediately notifies the Campus Safety Dispatcher via a Silent Knight Fire Alarm Receiver System.

Currently, 100% of student sleeping rooms are protected by automatic fire sprinkler systems. In addition to the protection of student sleeping rooms, fire sprinklers also protect residence hall attics, basements, storage and housekeeping rooms, assembly areas, and mechanical rooms.

The following items are not permitted for use in residence halls:

- Open flames of any kind (including candles).
- Halogen lamps
- Hot plates
- Large refrigerators (in dorms without kitchens)
- Or other appliances that require high wattage for operation.

SMOKING

Smoking is not permitted in academic buildings, administrative buildings, or designated residence halls.

FIRE SAFETY EDUCATION AND TRAINING

Fire Safety Education and Training is provided to all first year students as part of their Customs Week orientation, as well as additional training for Customs officers (students with oversight responsibility). Additional training is provided for faculty and students who work or study in the Departments of Biology and Chemistry. Fire safety is an ongoing agenda item in the Safety Committee meetings, and is included in all presentations to new faculty, staff association, summer residents, and administrative and professional staff.

There are a number of Dorm Monitors whose responsibility includes weekly inspections of assigned dorms for fire safety and additional safety deficiencies.

Haverford College Campus Safety Department Fire Evacuation Plan

Haverford College Residential Buildings

If you discover a fire or smoke condition, notify the Campus Safety Department by telephone at (610) 896-1111, from a safe area within the building or by campus emergency phone. Give the dispatcher your name, location and nature of the fire. If the building fire alarm system is not sounding, activate the nearest fire alarm pull station. Fire alarm pull stations are located within 5 feet of an exit door.

Upon activation of a smoke detector or notification of a fire, all occupants should exit the building at once. Feel the door to your room before opening it. If the door feels hot or smoke is seeping in, do not open it. Seal off the cracks in the door with a coat or blankets and open outside windows for ventilation. Call Campus Safety and explain your situation, giving your name and location. Never jump from windows, especially above the second floor. Signal your location by waving a towel or bed sheet out of your window.

If the door feels cool, open it slowly. Be prepared to slam the door if the hall is full of smoke or heat. If the hall is clear, proceed to the nearest stairs and exit the building. Should you encounter heavy smoke while exiting the building, turn back and find a room that provides a safe area of refuge contact Campus Safety immediately. Become familiar with two escape routes from the building.

If you get caught in smoke or heat, crawl on the floor and take short breaths through your nose until you reach an area of safe refuge.

- Remember to assist any physically challenged persons in your area to safety in the event of an emergency.
- During late night and early morning hours if conditions permit, attempt to wake sound sleepers in your area.
- Once you have left the building, do not return for any reason. Someone from Campus Safety will notify you when it is safe to return to the building.
- Persons evacuating the building should meet in the Designated Meeting Area.
