

myStrength Plus

Personal support
for a healthier mind

You have access to myStrength Plus from Teladoc Health (Teladoc), a flexible and convenient digital program with proven tools and dedicated support for stress, depression, sleep, and more. So, you'll get the emotional health support you want and deserve.

MyStrength Plus makes finding the right mental health support easy. It offers evidence-based self-guided digital content and tools to support you wherever you are on your mental health journey.

With myStrength Plus you'll feel empowered with:

- **A personalized plan.** Answer a series of questions and myStrength Plus will create a plan designed just for you.
- **Recommended digital content and resources.** Explore self-guided activities and tools based on your goals and needs.
- **In-the-moment tools.** Calm yourself down, shift your thinking, get inspired, and feel more hopeful.
- **Additional support.** You can access care when you need it, whether in-person or virtually, through the myStrength Plus app.

Receive support for some of the following conditions:

- Depression
- Anxiety
- Insomnia
- Trauma
- Bipolar disorder
- Chronic pain
- Substance use (Alcohol, drugs, opioids, and nicotine)

MyStrength Plus on the go

Strengthen your emotional health whenever, wherever you need to with the myStrength Plus app. Download the app to your smartphone from the App Store or Google Play.

Two easy ways to enroll
