HOW CAN WE HELP YOU?

CAREER ADVISING

Explore & plan for your future!
Meet with a career advisor for help with major and career exploration, gaining experience, starting a job or internship search, building a professional network, and preparing for interviews.

RESUME + COVER LETTER SUPPORT

Prepare strong applications.
Develop strong resumes, cover letters, and Handshake and LinkedIn profiles to attract employers and impress graduate school and fellowship committees.

GRADUATE + PROFESSIONAL SCHOOL

Plan for further study.
Receive support on application process, timeline, and testing requirements to submit strong applications for master's and Ph.D. graduate programs, dental, medical, or law school.

LOCAL JOBS

Earn while you learn.
Check out our part-time job board for the latest openings all around campus and in the surrounding area. Many on-campus jobs allow for flexibility so you can work around your class schedule.

ALUMNI CONNECTIONS

Connect & learn from alumni.
Networking with alumni is easy with Haverford Connect, LinkedIn, and on-campus events! Ask us how to start building your network.

EMPLOYER CONNECTIONS

Connect virtually and in-person!
Connect with employers through Handshake, career fairs, interview days, meet-ups, career chats, and career treks to gain exposure to various industries and opportunities.

SUMMER FUNDING

Build relevant experience.
Get advice to take full advantage of summer opportunities, including internships and research opportunities. Apply for College grants to fund your summer experiences.

FELLOWSHIPS + PRIZES

Dive deep into your passion.
Apply for opportunities to conduct research or teach abroad after graduation. Learn about funding for graduate degrees in many fields.

CAREER READINESS

Build skills employers seek.
Participate in skill-building training to enhance your technical, analytical, presentation, and communication skills with CCPA's online resources and workshops.
