

Gertrude Albert Heller Memorial Grant

Deadline: March 21, 2025

The Gertrude Heller Endowment Fund is an internship fund established by Martin Heller, Class of 1954, to encourage students to work with the neurologically impaired in direct care, research, public health, policy, prevention, and education efforts. Areas include, but are not limited to, individuals with Multiple Sclerosis, Parkinson's Disease, and Alzheimer's.

If you have an internship or a project this summer for which you need financial assistance, please apply by completing the online form by **March 21, 2025**, where you will be asked to upload:

1. Your resume
2. An essay or cover letter outlining your past relevant experiences and the purpose of the proposed internship
3. A signed confirmation letter or email from the organization with whom you will be working

Questions? Please contact Drew Adair, dadair@haverford.edu, Center for Career and Professional Advising, (610) 896-1181

Stipends will be awarded to the students with the most outstanding proposals. Open to Haverford students who are currently first-year students, sophomores, and juniors.

Past Projects & Organizations Include

- **Action AIDS**, Philadelphia, PA: Providing direct care to individuals with HIV or AIDS.
- **LCNS at Perelman School of Medicine, UPENN**, Cognitive neuroscience research
- **Floating Doctors**, Bocas del Toro on Isla Colon, Panama: Spent most of time at Asilo, a facility with 30 patients. Worked with stroke patients, and with other disorders.
- **Bio Lab/Haverford, Robert Fairman, Ph.D**, Huntington's Disease human genotype research
- **Wediko Children's Services**, Boston, MA: Working with a group of severely, emotionally disturbed children and adolescents in an intensive treatment program.
