

Kevin R. Jones '94 Career Development Internship

Deadline: March 21, 2025

The Kevin R. Jones '94 Career Development Internship helps to support one student - a rising sophomore, junior or senior - in a meaningful, paid summer internship. An intern will work full-time for 10 weeks during the summer and receive a stipend. The student needs to obtain a summer opportunity related to the student's interest. Written confirmation from the host organization must be submitted before funds can be granted.

Underrepresented rising sophomores, juniors, and seniors with demonstrated financial need and who have displayed a commitment to social justice issues and care for their communities, in keeping with the values of the namesake of the fund, are encouraged to apply. The internship does not have to focus on social justice issues.

Submit the following by March 21, 2025:

1. Online Application Form: You will upload #2, #3, and #4 in the online form.
2. An essay or cover letter no longer than 2 pages outlining your past relevant experiences and the purpose of the proposed internship
3. Resume
4. A signed letter or email confirmation from the organization with whom you will be working

History
