Percina Tanasi Fund for Environmental Studies Internship

Deadline: March 21, 2025

This internship is open to any Haverford first-year, sophomore or junior who has an interest in summer internships, domestic or international, dedicated to engaging with environmental issues. The internship will provide you with a summer stipend to assist you with living and/or travel expenses. The internship, which is designed by the student, can include a variety of opportunities such as working for a specific organization or pursuing research. The length of the experience needs to be a minimum of 6 weeks (8 weeks is strongly encouraged) and, if the experience is international, the country location of the internship must be at a Level 1 or 2 on the U.S. State Department Travel Advisories list.

***This internship may “partner” with the Bi-Co Department of Environmental Studies; please direct any questions to Drew - dadair@haverford.edu

A candidate must have achieved a high level of scholarship, and involvement in extracurricular activities, and should possess integrity, independence, social consciousness, persuasiveness, and enthusiasm.

Students should submit the following by Monday, March 21, 2025:

1. You will upload #2, #3, and #4 in the online form
2. An essay or cover letter no longer than 2 pages outlining your past relevant experiences and the purpose of the proposed internship
3. A resume
4. A signed letter or email confirmation from the organization with whom you will be working

Past projects have included

- Haverford College, Bio Lab, Prof. Lee Dieterich
- WOOF, Spain, WOOF, Italy, Lexington Community Farm, MA.
